11 program decision requiring program discontinuance, curtailment, modification, or
12 redirection. No person may be employed at the institution within 2 years to perform
13 reasonably comparable duties to those of the person whose appointment was
14 terminated without first offering such person a reappointment. The board, after
15 consultation with the faculty and chancellor of each institution, shall adopt
16 procedures to be followed in the event of termination of academic staff under this
17 section and the board may adopt procedures, consistent with s. 36.22, to be followed
18 in the event of termination of faculty under this section and s. 36.22.

19 **SECTION 1214r.** 36.22 of the statutes is created to read:

20 **36.22 Layoff or termination of faculty member due to certain budget**
21 **or program changes. (1) DEFINITIONS.** In this section:

22 (a) “Layoff” means an indefinite suspension or involuntary reduction in
23 services and compensation of a faculty member’s employment by the system.

24 (b) “Program change” means program discontinuance, curtailment,
25 modification, or redirection.

1 (c) "Termination" means the permanent elimination of a faculty member's
2 employment by the system.

3 **(2) LAYOFF OR TERMINATION DUE TO CERTAIN CIRCUMSTANCES.** (a) The board may,
4 under this section and s. 36.21, with appropriate notice, lay off or terminate any
5 faculty member when such an action is deemed necessary due to a budget or program
6 decision requiring a program change.

7 (b) Any layoff or termination of a faculty member under par. (a) may be made
8 only in accordance with the provisions of this section and implies the retention of
9 rights indicated in this section. A faculty member who is laid off retains the rights
10 specified in subs. (11) to (16) and a faculty member who is terminated retains the
11 rights specified in subs. (13) and (14).

12 (c) Nonrenewal of an appointment, regardless of the reason, is not a layoff or
13 termination under this section.

14 **(3) SENIORITY.** (a) In the case of layoffs of faculty members due to a budget or
15 program decision requiring a program change, layoffs shall follow seniority unless
16 a clear and convincing case is made that program or budget needs dictate other
17 considerations such as the need to maintain diversity of specializations within a
18 department.

19 (b) The faculty of each institution shall determine the form of seniority that is
20 to be considered. This determination shall be effective uniformly throughout the
21 institution. Seniority may be defined in the following, or in other, ways:

22 1. Without regard to rank, with seniority established by total years of service
23 in the institution.

24 2. By rank, and within rank according to total years of service in the institution.

1 3. By rank, and within rank, according to length of service in the institution
2 at that rank.

3 **(4) NOTIFICATION.** (a) Each faculty member who is to be laid off shall receive
4 prompt written notification from the chancellor. Prior to issuing a layoff notification,
5 the chancellor shall offer to consult with, and seek advice from, a faculty committee
6 designated or created by the faculty of the institution.

7 (b) The notification under par. (a) shall include all of the following:

8 1. A summary of the reasons supporting the need for the layoff.

9 2. A statement of the basis on which the individual position was selected for
10 elimination and one of the following:

11 a. If the position was selected for elimination on the basis of seniority, the
12 criterion used and data supporting the choice.

13 b. If the position was selected for elimination on a basis other than seniority,
14 the data and reasons supporting that choice.

15 3. A statement of the date on which the layoff is to be effective.

16 4. A copy of the statutes regarding layoff of faculty due to a budget or program
17 decision requiring a program change and such other information or procedural
18 regulations as the chancellor deems appropriate.

19 **(5) NOTIFICATION PERIOD.** (a) In the case of the layoff of faculty due to a budget
20 or program decision requiring a program change, notification must be given at least
21 12 months in advance of the effective date.

22 (b) During the 12-month period under par. (a), and prior to entering layoff
23 status, the chancellor may offer as appropriate, and the faculty member may accept,
24 any of the following:

25 1. Terminal leave and early retirement.

1 2. Relocation leave accompanied by resignation.

2 (c) Acceptance of either option under par. (b) terminates the faculty member's
3 association with the system at the end of the leave period.

4 **(6) FACULTY HEARING COMMITTEE.** (a) The faculty of each institution shall
5 establish a committee or designate an existing committee to serve as a hearing
6 committee for the purposes of this section. The committee shall consist of faculty
7 members of the institution chosen by the faculty in a manner to be determined by the
8 faculty. This standing faculty committee shall conduct the hearing, make a verbatim
9 record of the hearing, prepare a summary of the evidence, and transmit the record
10 and summary along with its recommended findings of law and decision to the board.

11 **(7) REVIEW HEARING.** (a) A faculty member who has been notified of layoff is
12 entitled to a hearing before the faculty hearing committee as to the appropriateness
13 of the decision to lay off that particular individual. The budget or program decisions
14 made to discontinue, curtail, modify, or redirect a program are not subject to review
15 in the hearing.

16 (b) A hearing must be requested within 20 days of the receipt by the faculty
17 member of notification of layoff. The request shall state with particularity the
18 grounds to be relied upon in establishing the impropriety of the decision. Relevant
19 information supplementary to that contained in the notification statement may be
20 requested. The question to be considered in the review is whether one or more of the
21 following improper factors entered into the decision to lay off:

22 1. Conduct, expressions, or beliefs on the faculty member's part that are
23 constitutionally protected, or protected by the principles of academic freedom.

24 2. Factors proscribed by applicable state or federal law regarding fair
25 employment practices.

1 3. Improper selection of the individual to be laid off.

2 (c) For purposes of par. (b), “improper selection” has occurred if material
3 prejudice resulted from any of the following:

4 1. The procedures required by the board were not followed.

5 2. Available data bearing materially on the role of the faculty member in the
6 institution were not considered.

7 3. Unfounded or arbitrary assumptions of fact were made.

8 4. Immaterial or improper factors other than those specified in par. (b) entered
9 into the decision.

10 (d) The committee shall determine whether one or more of the improper factors
11 under par. (b) entered significantly into and affected the layoff decision on the basis
12 of the evidence presented. If the committee believes that one or more improper
13 factors may have entered into the layoff decision but is convinced that the same
14 decision would have been reached had the error or errors not occurred, the committee
15 shall find the layoff decision to have been proper. The committee shall report its
16 findings and recommendations to the chancellor and the faculty member.

17 **(8) HEARING PROCEDURE.** (a) If the faculty hearing committee requests, the
18 chancellor shall provide legal counsel to the committee for a hearing under sub. (7).
19 The hearing shall be closed unless the faculty member who has been notified of layoff
20 requests an open hearing, in which case it shall be open.

21 (b) The faculty hearing committee may, on motion of either party, disqualify any
22 one of its members for cause by a majority vote. If one or more of the faculty hearing
23 committee members disqualify themselves or are disqualified, the remaining
24 members may select a number of other members of the faculty equal to the number
25 who have been disqualified to serve, except that alternative methods of replacement

1 may be specified in the rules and procedures adopted by the faculty establishing the
2 hearing committee under sub. (6). No faculty member who participated in the
3 decision to lay off or who is a material witness may sit in on the faculty hearing
4 committee.

5 (c) The faculty member shall be given at least 10 days' notice of the hearing.
6 The hearing shall be held not later than 20 days after the request for hearing except
7 that this time limit may be extended by mutual consent of the parties or by order of
8 the faculty hearing committee.

9 (d) The faculty member shall have access to the evidence on which the
10 administration intends to rely to support the decision to lay off, and shall be
11 guaranteed all of the following minimal procedural safeguards at the hearing:

- 12 1. A right to be heard on his or her own behalf.
- 13 2. A right to counsel or other representatives or both, and to offer witnesses.
- 14 3. A right to confront and cross-examine adverse witnesses.
- 15 4. A verbatim record of the hearing, which might be a sound recording, provided
16 at no cost.
- 17 5. Written findings of fact and decision based on the hearing record.
- 18 6. Admissibility of evidence as described in s. 227.45 (1) to (4).

19 (e) Adjournments shall be granted to enable either party to investigate
20 evidence as to which a valid claim of surprise is made.

21 **(9) RECOMMENDATIONS AND REVIEW BY THE BOARD.** The layoff decision of the
22 chancellor and the recommendations, if any, of the faculty hearing committee, shall
23 be transmitted to the president and to the board and acted upon as follows:

1 (a) If the faculty member has not requested a hearing before the faculty hearing
2 committee, the chancellor's decision shall be deemed proper and shall be reported for
3 information to the president and the board.

4 (b) If the faculty member has requested a hearing and the faculty hearing
5 committee has found the decision to be proper, the report of the faculty hearing
6 committee shall be forwarded to the president and board by the chancellor with a
7 recommendation. The faculty member may request a review by the board, and the
8 board review panel may at its option grant a review. Unless the board review panel
9 grants the request for review, the recommended findings of fact and decision of the
10 faculty hearing committee shall be the final decision of the board.

11 (c) If after a hearing, the faculty hearing committee's recommended findings
12 of fact and decision are that the initial decision was improper, the chancellor shall
13 review the matter and give careful consideration to the committee's finding. If the
14 chancellor accepts the committee's findings, the chancellor's decision shall be final.
15 If the chancellor contests the recommended findings that the decision was improper,
16 the verbatim record, a summary of the evidence, and the recommended findings of
17 law and decision shall be forwarded to the board review panel. The chancellor and
18 the faculty member shall be furnished with copies of this material and shall have a
19 reasonable opportunity to file written exceptions to the summary and proposed
20 findings and decision and to argue with respect to them orally and in writing before
21 the board review panel. The board review panel shall hear and decide the case and
22 the decision of the board review panel shall be final.

23 **(10) BOARD REVIEW.** A review panel shall be appointed by the president of the
24 board, and shall include 3 members of the board, and 2 nonvoting staff members from
25 the academic affairs office of the system. The panel shall review the criteria and

1 reasoning of the chancellor and the findings and recommendations of the faculty
2 hearing committee in each case forwarded for its review, and shall reach a decision
3 on the recommendation to be approved. The decision shall be final and binding upon
4 the chancellor and the faculty member affected unless one or more of the board
5 members of the review panel request that the decision be reviewed by the full board,
6 in which case the record shall be reviewed and a decision reached by the full board.

7 **(11) LAYOFF STATUS.** (a) A faculty member whose position has been eliminated
8 or reduced in accordance with the provisions of this section shall, at the end of the
9 appropriate notice period, be placed on layoff status, unless the layoff notice has been
10 rescinded prior to that time.

11 (b) The faculty member whose notice period has expired, and who is placed on
12 layoff status, shall remain on layoff status until any of the following occurs:

13 1. The period of the faculty member's appointment has expired under its own
14 terms.

15 2. The faculty member is reappointed to the position from which he or she was
16 laid off. Failure to accept a reappointment terminates the faculty member's
17 association with the system.

18 3. The faculty member accepts an alternative continuing position in the
19 system. Failure to accept an alternate appointment does not terminate the faculty
20 member's association with the system.

21 4. The faculty member resigns.

22 5. The faculty member, while on layoff status, fails to notify the chancellor by
23 December 1 of each year as to his or her location, employment status, and desire to
24 remain on layoff status. Failure to provide this notice of desire to remain on layoff
25 status terminates the faculty member's association with the system.

1 **(12) ALTERNATIVE EMPLOYMENT.** Each institution shall devote its best efforts to
2 securing alternative appointments within the institution in positions for which
3 faculty laid off under this section are qualified under existing criteria. In addition,
4 the system shall provide financial assistance for one year for faculty who are
5 designated for layoff to readapt within the department or within another department
6 of the institution, where readaptation is feasible. Further, the system shall devote
7 its best efforts to ensure that faculty members laid off or terminated in any
8 institution are made aware of openings within the system.

9 **(13) REAPPOINTMENT RIGHTS.** Each institution shall establish administrative
10 procedures and policies to ensure that where layoffs or terminations occur due to a
11 budget or program decision requiring a program change, no person may be employed
12 at that institution within 3 years to perform reasonably comparable duties to those
13 of the faculty member laid off or terminated without first offering the laid off or
14 terminated faculty member reappointment without loss of seniority and other rights.
15 The 3-year period shall be computed from the effective date of layoff as specified in
16 the original notice.

17 **(14) RETENTION OF RANK AND SALARY.** Any faculty member reappointed within
18 3 years after layoff or termination shall be reappointed with a rank and salary at
19 least equivalent to the rank and salary when laid off or terminated, together with
20 such other rights and privileges that may have accrued at that time. Any faculty
21 member relocated within an institution or within the system shall not have either
22 rank or salary adversely affected except by consent at the time of relocation.

23 **(15) RIGHTS OF FACULTY MEMBERS ON LAYOFF.** A faculty member on layoff status
24 in accord with the provisions of this section has the reemployment rights guaranteed
25 by subs. (13) and (14), and has all of the following minimal rights:

1 (a) The right to participate in fringe benefit programs as is allowed by state
2 statutes and rules governing rights of laid off state employees.

3 (b) The right to continued use of campus facilities as is allowed by policies and
4 procedures established by the department and institution.

5 (c) The right to participate in departmental and institutional activities as is
6 allowed by guidelines established by the department and institution.

7 **(16) SYSTEMWIDE TENURE.** The commitment to systemwide tenure within the
8 institutions formerly governed under ch. 37, 1971 stats., shall be honored by those
9 institutions for those eligible under s. 36.13 (4), 1973 Stats., in the event of layoff or
10 termination under the provisions of this section.

11 **(17) LACK OF FACULTY ACTION.** If the faculty of an institution is given due notice
12 but does not establish or designate a hearing committee under sub. (6) (a), the
13 chancellor may appoint a committee of faculty members to provide this function.

12 statute creating liability upon the individual receiving a service or any other
13 designated responsible party, or prevents reimbursement by the department of
14 health services for the actual cost of all care and services from the appropriation
15 under s. 20.435 (7) (5) (da), as provided in s. 51.22 (3).

5 (3) (a) Except as provided in par. (b), a person is eligible to obtain a waiver from
6 the requirement to comply with a dwelling construction standard if the person
7 submits a signed application form requesting the waiver to the political subdivision
8 that is responsible for issuing building permits for dwellings. The application shall

5 tenets or teachings of the religious sect of which the person is a member and upon

22 the political subdivision that the department has issued the waiver. Upon receipt
23 of the notice, the political subdivision shall waive the applicant's requirement to
24 comply with the dwelling construction standards specified in the waiver.

1 **(7)** A person is entitled to obtain a waiver under this section before, during, or
2 after construction of a one- or 2-family dwelling.

3 **(8)** Neither a municipality nor the department may charge a person a fee to
4 apply for or to receive a waiver under this section.

5 **(9)** A waiver issued under this section is invalid if the political subdivision that
6 issued the waiver or the department find that any of the following applies:

7 (a) A statement on the waiver form submitted by the person to whom the waiver
8 was issued is untrue.

9 (b) The basis upon which the waiver was issued no longer applies.

10 (c) The dwelling is occupied by a person who does not hold the religious beliefs
11 that form the basis for issuing the waiver.

12 **(10)** Neither the department nor a political subdivision may take any
13 enforcement action, nor proceed with any enforcement action initiated on or before
14 the effective date of this subsection ... [LRB inserts date], against a person with

17 particular type of treatment, the department or the division may appoint another
18 physician, chiropractor, psychologist, dentist, or podiatrist to examine the employee
19 and render an opinion as soon as possible. The department or the division shall
20 promptly notify the parties of this appointment. If the employee has not returned
21 to work, payment for temporary disability shall continue until the department or the
22 division receives the opinion. The employer or its insurance carrier, or both, shall
23 pay for the examination and opinion. The employer or insurance carrier, or both,
24 shall receive appropriate credit for any overpayment to the employee determined by
25 the department or the division after receipt of the opinion.

1 **SECTION 2764d.** 102.13 (4) of the statutes is amended to read:

2 102.13 (4) The ~~rights of employees~~ right of an employee to begin or maintain

11 compensation for the disfigurement, not exceeding the employee's average annual
12 earnings. In determining the potential for wage loss due to the disfigurement and
13 the sum awarded, the department or the division shall take into account the age,
14 education, training, and previous experience and earnings of the employee, the
15 employee's present occupation and earnings, and likelihood of future suitable
16 occupational change. Consideration for disfigurement allowance is confined to those
17 areas of the body that are exposed in the normal course of employment. The
18 department or the division shall also take into account the appearance of the

14 division considers just as compensation ~~therefor~~ for that wage loss, not exceeding
15 \$13,000. ~~In the event~~ If a nondisabling condition may also be caused by toxic or
16 hazardous exposure not related to employment, and ~~if~~ the employee has a history of
17 ~~such that~~ exposure, compensation as provided by under this section or any other

1 of suitable employment, a statement that the employer has no suitable employment
2 for the employee, or a report from a physician, chiropractor, psychologist, or
3 podiatrist showing that the permanent work restrictions provided by the employee's
4 practitioner are in dispute and documentation showing that the difference in work
5 restrictions would materially affect either the employer's ability to provide suitable
6 employment or a vocational rehabilitation counselor's ability to recommend a
7 rehabilitative training program. If the employer and employee cannot resolve the
8 dispute within 30 days after the employee receives the employer's report and
9 documentation, the employer or employee may request a hearing before the
10 ~~department~~ division to determine the employee's work restrictions. Within 30 days

2 102.61 (2) The ~~department~~ division, the commission, and the courts shall
3 determine the rights and liabilities of the parties under this section in like manner

18 provision in any insurance policy undertaking to guarantee primary liability or to
19 avoid secondary liability for a liability under s. 102.57 or 102.60 is void. If the
20 employer has been adjudged bankrupt or has made an assignment for the benefit of
21 creditors, ~~or~~ if the employer, other than an individual, has gone out of business or has
22 been dissolved, or if the employer is a corporation and its charter has been forfeited

11 108.04 (8) (b) There is a rebuttable presumption that an employee has failed,
12 without good cause, to accept suitable work when offered if the department
13 determines, based on a report submitted by an employing unit in accordance with s.
14 108.133 (4), that the employing unit required, as a condition of an offer of
15 employment, that the employee submit to a test for the presence of controlled
16 substances and withdrew the conditional offer after the employee either declined to
17 submit to such a test or tested positive for one or more controlled substances without
18 evidence of a valid prescription for each controlled substance for which the employee
19 tested positive. In the case of the employee declining to submit to such a test, the
20 employee shall be ineligible for benefits until the employee again qualifies for
21 benefits in accordance with the rules promulgated under this paragraph. In the case
22 of the employee testing positive in such a test without evidence of a valid
23 prescription, the employee shall be ineligible for benefits until the employee again
24 qualifies for benefits in accordance with the rules promulgated under this
25 paragraph, except that the employee may maintain his or her eligibility for benefits

1 in same manner as is provided in s. 108.133 (3) (d). The department shall promulgate
2 rules identifying a period of ineligibility that must elapse or a requalification
3 requirement that must be satisfied, or both, in order for an employee who becomes
4 ineligible for benefits as provided in this paragraph to again qualify for benefits and
5 specifying how a claimant may overcome the presumption in this paragraph. The
6 department shall charge to the fund's balancing account any benefits otherwise
7 chargeable to the account of an employer that is subject to the contribution
8 requirements under ss. 108.17 and 108.18 whenever an employee of that employer

10 **SECTION 3113.** 108.04 (11) (bh) of the statutes is amended to read:

11 108.04 (11) (bh) In addition to ineligibility for benefits resulting from
12 concealment as provided in par. (be), the department shall assess a penalty against
13 the claimant in an amount equal to ~~15~~ 40 percent of the benefit payments erroneously
14 paid to the claimant as a result of one or more acts of concealment described in pars.
15 (a) and (b).

16 **SECTION 3115.** 108.133 of the statutes is created to read:

22 under sub. (2) (d).

23 (c) "Occupation that regularly conducts drug testing" means an occupation

11 (a) Promulgate rules to establish the program. The department shall do all of

16 2. Identify the parameters for a substance abuse treatment program for
17 claimants who engage in the unlawful use of controlled substances and specify
18 criteria that a claimant must satisfy in order to be considered in full compliance with
19 requirements of the substance abuse treatment program. If the rules require that
20 a claimant enrolled in the substance abuse treatment program submit to additional
21 tests for the presence of controlled substances following the initial test conducted
22 under sub. (3) (c), the rules shall allow the claimant to have at least one more positive
23 test result following the initial test without, on that basis, being considered not to be
24 in full compliance with the requirements of the substance abuse treatment program.

1 3. Create a screening process for determining whether there is a reasonable
2 suspicion that a claimant has engaged in the unlawful use of controlled substances.

3 4. Identify the parameters for a job skills assessment for claimants who engage
4 in the unlawful use of controlled substances and specify criteria that a claimant must
5 satisfy in order to be considered in full compliance with the requirements of the job

10 (am) Promulgate rules identifying occupations for which drug testing is
11 regularly conducted in this state. The department shall notify the U.S. department
12 of labor of any rules promulgated under this paragraph.

13 (b) When a claimant applies for regular benefits under this chapter, do all of
14 the following:

15 1. Determine whether the claimant is an individual for whom suitable work is
16 only available in an occupation that regularly conducts drug testing.

17 2. Determine whether the claimant is an individual for whom suitable work is
18 only available in an occupation identified in the rules promulgated under par. (am).

19 3. If the claimant is determined by the department under subd. 1. to be an
20 individual for whom suitable work is only available in an occupation that regularly
21 conducts drug testing, conduct a screening on the claimant.

22 4. If the claimant is determined by the department under subd. 2. to be an
23 individual for whom suitable work is only available in an occupation identified in the
24 rules promulgated under par. (am), conduct a screening on the claimant if a
25 screening is not already required under subd. 3.

2 reasonable suspicion that the claimant has engaged in the unlawful use of controlled
3 substances, require that the claimant submit to a test for the presence of controlled
4 substances.

5 (c) Create and provide, or contract with an entity or another agency to provide,
6 a substance abuse treatment program in accordance with the rules promulgated

14 rules promulgated under sub. (2) (a) 5.

15 (b) If a claimant who is required under sub. (2) (b) 5. to submit to a test for the
16 presence of controlled substances submits to the test and does not test positive for
17 any controlled substance or the claimant presents evidence satisfactory to the
18 department that the claimant possesses a valid prescription for each controlled
19 substance for which the claimant tests positive, the claimant may receive benefits
20 under this chapter if otherwise eligible and may not be required to submit to any
21 further test for the presence of controlled substances until a subsequent benefit year.

22 (c) If a claimant who is required under sub. (2) (b) 5. to submit to a test for the
23 presence of controlled substances submits to the test and tests positive for one or
24 more controlled substances without presenting evidence satisfactory to the
25 department that the claimant possesses a valid prescription for each controlled

1 substance for which the claimant tested positive, the claimant is ineligible for
2 benefits under this chapter until the claimant is again eligible for benefits as
3 provided in the rules promulgated under sub. (2) (a) 5., except as provided in par. (d).

4 (d) A claimant who tests positive for one or more controlled substances without
5 presenting evidence of a valid prescription as described in par. (c) may maintain his
6 or her eligibility for benefits under this chapter by enrolling in the substance abuse
7 treatment program and undergoing a job skills assessment. Such a claimant
8 remains eligible for benefits under this chapter, if otherwise eligible, for each week
9 the claimant is in full compliance with any requirements of the substance abuse
10 treatment program and job skills assessment, as determined by the department in
11 accordance with the rules promulgated under sub. (2) (a) 2. and 4.

15 copying under s. 19.35 (1).

16 (f) The department shall charge to the fund's balancing account the cost of
17 benefits paid to an individual that are otherwise chargeable to the account of an

20 **(4) PREEMPLOYMENT DRUG TESTING.** (a) An employing unit may, in accordance
21 with the rules promulgated by the department under par. (b), voluntarily submit to
22 the department the results of a test for the presence of controlled substances that was
23 conducted on an individual as a condition of an offer of employment or notify the
24 department that an individual declined to submit to such a test, along with
25 information necessary to identify the individual. Upon receipt of any such results

1 of a test conducted and certified in a manner approved by the department or

16 that is a successor provider following a merger, acquisition, consolidation,
17 reorganization, sale, or other transfer may offset surpluses generated by a
18 preexisting provider against deficits generated by such a provider in the same
19 manner that a nonprofit corporation is permitted to offset surpluses against deficits
20 under par. (em) 4.

21 **SECTION 4250h.** 301.08 (2) (e) of the statutes is amended to read:

22 301.08 (2) (e) The Except as provided in par. (em), the purchaser shall recover

3 control of, or is under common control with another provider.

4 b. “Combined revenues” means the aggregate revenues received by a provider
5 from all purchasers of all rate-regulated services provided by the provider.

6 c. “Control” means the possession of the power, directly or indirectly, to direct
7 or cause the direction of the management and policies of a provider through the
8 ownership of more than 50 percent of the voting rights of the provider, by contract,
9 or otherwise.

11 nonprofit corporation, as defined in s. 181.0103 (17), and that contracts under this
12 section to provide client services on the basis of a unit rate per client service or a
13 county department under s. 46.215, 46.22, 46.23, 51.42, or 51.437 that contracts
14 under this section to provide client services on the basis of a unit rate per client
15 service.

16 e. “Rate-based service” means a service or a group of similar services, as
17 determined by the department, provided under one or more contracts between a
18 provider and the purchaser of those services that is reimbursed through a
19 prospectively set rate and that is distinguishable from other services or groups of
20 similar services by the purpose for which funds are provided for that service or group
21 of similar services and by the source of funding for that service or group of similar
22 services.

23 f. “Rate-regulated service” means a rate-based service that is reimbursed
24 through a rate established under s. 49.343.

1 2. Subject to subds. 3., 4., and 5., if revenue under a contract for the provision
2 of a rate-based service exceeds allowable costs incurred in the contract period, the
3 provider shall be permitted to retain any surplus generated by that rate-based
4 service as provided in this subdivision and to use that retained amount, in the sole
5 discretion of the provider, to cover any allowable costs specified in 2 CFR Part 200
6 or in any other applicable federal law or regulation. If on December 31 of any year
7 the amount accumulated by a provider from all contract periods ending during that
8 year for a rate-based service exceeds 5 percent of the total revenue received from all
9 of those contract periods, the provider shall provide written notice of that excess to
10 all purchasers of that rate-based service and, upon the written request of such a
11 purchaser received no later than 6 months after the date of the notice, shall return
12 to the purchaser the purchaser's proportional share of that excess. Subject to subds.
13 3., 4., and 5., a provider may accumulate funds from more than one contract period
14 under this subdivision. A contract for a rate-based service may not limit the provider
15 to retaining from any surplus generated by that service an amount that is less than
16 5 percent of the revenue received under the contract. Nothing in this subdivision
17 shall be construed to guarantee the generation of a surplus by a provider of a
18 rate-based service.

19 3. a. Subject to subds. 3. b. and 4., if on December 31 of any year the combined
20 revenues from all contract periods ending during that year for all rate-regulated
21 services exceed the allowable costs related to the provision of those rate-regulated
22 services in that year, the provider shall be permitted to retain any surplus generated
23 by those rate-regulated services as provided in this subd. 3. a. and to use that
24 retained amount, in the sole discretion of the provider, to cover any allowable costs
25 specified in 2 CFR Part 200 or in any other applicable federal law or regulation. If

1 on December 31 of any year the amount accumulated by a provider from all contract
2 periods ending during that year for a rate-regulated service exceeds 5 percent of the
3 total revenue received from all of those contract periods, the provider shall provide
4 written notice of that excess to all purchasers of that rate-regulated service and,
5 upon the written request of such a purchaser received no later than 6 months after
6 the date of the notice, shall return to the purchaser the purchaser's proportional
7 share of that excess. A contract for a rate-regulated service may not limit the
8 provider to retaining from any surplus generated by that service an amount that is
9 less than 5 percent of the revenue received under the contract. Nothing in this subd.

10 3. a. shall be construed to guarantee the generation of a surplus by the provider of
11 a rate-regulated service.

12 b. In calculating under subd. 3. a. the surplus generated by 2 or more affiliated
13 providers, any surplus of combined revenues over allowable costs generated by one
14 or more of those affiliated providers shall be reduced, but not below zero, by any
15 deficit between combined revenues and allowable costs generated by any one or more
16 of those affiliated providers. If after that reduction there remains any net surplus,
17 that net surplus shall be allocated among the affiliated providers that generated a
18 surplus in proportion to the amount of surplus generated by each such affiliated
19 provider and subd. 3. a. shall apply to each such affiliated provider's proportionate
20 share of that surplus.

21 4. In making the calculations under subds. 2. and 3., if 2 or more providers
22 engage in a merger, acquisition, consolidation, reorganization, sale, or other transfer
23 resulting in a single successor provider, all surpluses generated by a rate-based
24 service or a rate-regulated service provided by a preexisting provider shall be offset
25 against all deficits generated by that service provided by a preexisting provider and

1 those net surpluses or deficits shall be the surpluses or deficits of the successor
2 provider.

3 5. Notwithstanding subd. 2., a county department under s. 46.215 providing
4 client services in a county having a population of 750,000 or more or a nonstock,
5 nonprofit corporation providing client services in such a county may not retain a
6 surplus generated by a rate-based service or accumulate funds from more than one
7 contract period for a rate-based service from revenues that are used to meet the
8 maintenance-of-effort requirement under the federal temporary assistance for
9 needy families program under 42 USC 601 to 619.

10 6. All providers that are subject to this paragraph shall comply with any
11 financial reporting and auditing requirements that the department may prescribe.
12 Those requirements shall include a requirement that a provider provide to any
13 purchaser and the department any information that the department needs to claim
14 federal reimbursement for the cost of any services purchased from the provider and
