<b>Description</b> Providing fraudulent information to the Wisconsin Economic Development Corporation and providing a criminal penalty					

### Assumptions Used in Arriving at Fiscal Estimate

2015 SB 573, criminal penalties would be imposed for making or causing false statements against the Wisconsin Economic Development Corporation (WEDC). This bill establishes penalties -- Class E felonies and fines of up to \$15,000. It is not expected that there would be a large number of such cases and thus, the surcharges imposed for such crimes would be insignificant. In addition, the workload associated with these cases is not expected to be significant.
