**2015 Assembly Bill 142**

**Assembly Substitute  
Amendment 1**

*Memo published: June 8, 2015*

### **2015 ASSEMBLY BILL 142**

Current law generally prohibits a person from manufacturing, selling, transporting, purchasing, or possessing a switchblade knife (the switchblade prohibition). 2015 Assembly Bill 142 exempts certain groups of people from this prohibition. The bill also excludes from the definition of "switchblade knife" a knife with closure-biased springs that require physical force to be applied to the blade in order to open the knife.

### **ASSEMBLY SUBSTITUTE AMENDMENT 1**

Assembly Substitute Amendment 1 does all of the following:

- Repeals the switchblade prohibition.
- Includes knives under the law that currently generally prohibits political subdivisions from enacting ordinances or adopting resolutions that regulate firearms and are more stringent than state law.
- Provides that a person may not be in violation of, or charged with a violation of, the disorderly conduct statute or an ordinance relating to disorderly conduct for carrying or going armed with a knife, without regard to whether the knife is concealed or openly carried, unless other facts and circumstances apply that indicate a criminal or malicious intent on the part of the person.
- Allows a person to carry any concealed knife unless the person is prohibited under state law from possessing a firearm.

**BILL HISTORY**
