2 of the statutes; **relating to:** transitional housing grants and making an
3 appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Administration provides transitional housing grants to counties, municipalities, community action agencies, and private organizations for the purpose of providing housing and associated supportive services to homeless individuals and families in order to facilitate the movement of homeless persons to independent living. This bill provides an additional \$2,500,000 in the 2017-19 fiscal biennium to fund that grant program.

Also, under the bill, in awarding transitional housing grants, DOA must give priority to counties, municipalities, community action agencies, and private organizations using rapid-rehousing and housing first program models, as determined by the department.
