***Analysis by the Legislative Reference Bureau******Engrossment information:***

The text of Engrossed 2017 Assembly Bill 773 consists of the following document adopted in the assembly on February 22, 2018: the bill as affected by Assembly Substitute Amendment 2.

***Content of Engrossed 2017 Assembly Bill 773:*****DISCOVERY PROCEDURES**

This bill makes certain changes to discovery procedure in court proceedings. Under the bill, the court must limit the frequency or extent of discovery if it determines that the discovery sought is cumulative or duplicative, or can be obtained from some other source that is more convenient, less burdensome, or less expensive or that the burden or expense of the proposed discovery outweighs its likely benefit or is not proportional to the claims and defenses at issue. In addition, the bill limits discovery of electronic information such that, in the absence of the moving party showing substantial need and good cause, a party is not required to keep or provide the following types of electronic information: data that cannot be retrieved without substantial additional programming or without transforming it into another form before search and retrieval can be achieved; backup data that are substantially duplicative of data that are more accessible elsewhere; legacy data remaining from obsolete systems that are unintelligible on successor systems; and any other data that are not available to the producing party in the ordinary course of business and that the party identifies as not reasonably accessible because of undue burden or cost.

The bill also creates a mandatory disclosure requirement that requires a party, without awaiting a discovery request, to disclose any agreement under which any person, other than an attorney who is permitted to charge a contingent fee for representing a party, has a right to receive compensation that is contingent on and sourced from any proceeds of the civil action.

**CLASS ACTIONS**

In December 2017, the supreme court issued an order that creates detailed procedures relating to class actions where previously Wisconsin had few procedural requirements relating to class actions. The procedures implemented in the order closely track the federal procedures for filing and maintaining a class action. This bill amends certain aspects of appellate procedure for a class action.

**STATUTE OF LIMITATIONS**

Under current law, the statute of limitations for an action for injury to character is six years. Under the bill, the statute of limitations is shortened to three years.

**ENGROSSED ASSEMBLY BILL 773**

Under current law, the statute of limitations for an action for injury resulting from improvements to real property is ten years. Under the bill, the statute of limitations is shortened to seven years.

Under current law, the statute of limitations for an action upon a liability created by statute when a different limitation is not prescribed by law and for an action for relief on the ground of fraud is six years. Under the bill, the statute of limitations is shortened to three years.

**THIRD-PARTY TAX AUDITS**

This bill prohibits the secretary of revenue from entering into an agreement to allow a person to engage in an audit on a contingent fee basis of another person's documents or records in order to administer the unclaimed property law or to purchase information arising from the audit, except for information received from the federal government. However, if the person whose documents or records are audited is not domiciled in this state, the secretary may enter into such a contingent fee agreement if the amount of the contingent fee does not exceed 12 percent of the total amount of unclaimed property that is disclosed by the audit.

The bill also prohibits the secretary from entering into an agreement as part of an effort to administer the unclaimed property law that allows a person engaging in an audit of another person's documents or records to use statistical sampling to estimate the liability of that person unless that person consents to the use of an estimate.

**TIMELY PAYMENT OF CLAIMS**

This bill changes the interest rate that an insurer must pay for overdue insurance claims from 12 percent to 7.5 percent. Current law requires an insurer to promptly pay every insurance claim and, generally, a claim is considered overdue if the claim is not paid within 30 days after the insurer has written notice of the fact and amount of a covered loss.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

- 1           **SECTION 1.** 177.30 (6) and (7) of the statutes are created to read:
- 2           177.30 **(6)** (a) Except as provided in pars. (b) and (c), the administrator may not
- 3 enter into a contract or other agreement to allow any person to engage in an audit
- 4 on a contingent fee basis of another person's documents or records as part of an effort
- 5 to administer this chapter or to purchase information or documents arising from the
- 6 audit.

**ENGROSSED ASSEMBLY BILL 773**

1 (b) If a person whose documents or records are audited is not domiciled in this  
2 state, the administrator may enter into a contract or agreement described under par.  
3 (a) related to the person if the amount of the contingent fee under the contract or  
4 agreement does not exceed 12 percent of the total amount of property reportable and  
5 deliverable under this chapter that is disclosed by the audit.

6 (c) This subsection does not apply to information received from the federal  
7 government.

8 (7) The administrator may not enter into a contract or other agreement as part  
9 of an effort to administer this chapter that allows a person that is engaging in an  
10 audit of another person's documents or records to use statistical sampling to estimate  
11 the other person's liability unless the other person consents to the use of an estimate.

12 **SECTION 2.** 218.0125 (7) of the statutes is amended to read:

13 218.0125 (7) A claim made by a franchised motor vehicle dealer for  
14 compensation under this section shall be either approved or disapproved within 30  
15 days after the claim is submitted to the manufacturer, importer or distributor in the  
16 manner and on the forms the manufacturer, importer or distributor reasonably  
17 prescribes. An approved claim shall be paid within 30 days after its approval. If a  
18 claim is not specifically disapproved in writing or by electronic transmission within  
19 30 days after the date on which the manufacturer, importer or distributor receives  
20 it, the claim shall be considered to be approved and payment shall follow within 30  
21 days. A manufacturer, importer or distributor retains the right to audit claims for  
22 a period of one year after the date on which the claim is paid and to charge back any  
23 amounts paid on claims that are false or unsubstantiated. If there is evidence of  
24 fraud, this subsection does not limit the right of the manufacturer to audit for longer

**ENGROSSED ASSEMBLY BILL 773**

1 periods and charge back for any fraudulent claim, subject to the limitations period  
2 under s. 893.93 (1) ~~(b)~~ (cm).

3 **SECTION 3.** 218.0126 of the statutes is amended to read:

4 **218.0126 Promotional allowances.** A claim made by a franchised motor  
5 vehicle dealer for promotional allowances or other incentive payments shall be either  
6 approved or disapproved within 30 days after the claim is submitted to the  
7 manufacturer, importer or distributor in the manner and on the forms the  
8 manufacturer, importer or distributor reasonably prescribes. An approved claim  
9 shall be paid within 30 days after its approval. If a claim is not specifically  
10 disapproved in writing or by electronic transmission within 30 days after the date  
11 on which the manufacturer, importer or distributor receives it, the claim shall be  
12 considered to be approved and payment shall follow within 30 days after approval.  
13 A manufacturer, importer or distributor retains the right to audit a claim for a period  
14 of 2 years after the date on which the claim is paid and to charge back any amounts  
15 paid on claims that are false or unsubstantiated. If there is evidence of fraud, this  
16 section does not limit the right of the manufacturer to audit for longer periods and  
17 charge back for any fraudulent claim, subject to the limitations period under s.  
18 893.93 (1) ~~(b)~~ (cm).

19 **SECTION 4.** 628.46 (1) of the statutes is amended to read:

20 628.46 (1) Unless otherwise provided by law, an insurer shall promptly pay  
21 every insurance claim. A claim shall be overdue if not paid within 30 days after the  
22 insurer is furnished written notice of the fact of a covered loss and of the amount of  
23 the loss. If such written notice is not furnished to the insurer as to the entire claim,  
24 any partial amount supported by written notice is overdue if not paid within 30 days  
25 after such written notice is furnished to the insurer. Any part or all of the remainder

**ENGROSSED ASSEMBLY BILL 773**

1 of the claim that is subsequently supported by written notice is overdue if not paid  
2 within 30 days after written notice is furnished to the insurer. Any payment shall  
3 not be deemed overdue when the insurer has reasonable proof to establish that the  
4 insurer is not responsible for the payment, notwithstanding that written notice has  
5 been furnished to the insurer. For the purpose of calculating the extent to which any  
6 claim is overdue, payment shall be treated as being made on the date a draft or other  
7 valid instrument which is equivalent to payment was placed in the U.S. mail in a  
8 properly addressed, postpaid envelope, or, if not so posted, on the date of delivery.  
9 All overdue payments shall bear simple interest at the rate of ~~12~~ 7.5 percent per year.

10 **SECTION 5.** 801.01 (2) of the statutes is amended to read:

11 801.01 (2) SCOPE. Chapters 801 to 847 govern procedure and practice in circuit  
12 courts of this state in all civil actions and special proceedings whether cognizable as  
13 cases at law, in equity or of statutory origin except where different procedure is  
14 prescribed by statute or rule. Chapters 801 to 847 shall be construed, administered,  
15 and employed by the court and the parties to secure the just, speedy and inexpensive  
16 determination of every action and proceeding.

17 **SECTION 6.** 802.06 (1) of the statutes is renumbered 802.06 (1) (a).

18 **SECTION 7.** 802.06 (1) (b) of the statutes is created to read:

19 802.06 (1) (b) Upon the filing of a motion to dismiss under sub. (2) (a) 6., a  
20 motion for judgment on the pleadings under sub. (3), or a motion for more definite  
21 statement under sub. (5), all discovery and other proceedings shall be stayed for a  
22 period of 180 days after the filing of the motion or until the ruling of the court on the  
23 motion, whichever is sooner, unless the court finds good cause upon the motion of any  
24 party that particularized discovery is necessary.

**ENGROSSED ASSEMBLY BILL 773**

1           **SECTION 8.** 803.08 (11) of the statutes, as affected by 2017 Supreme Court  
2 Order 17-03, is repealed and recreated to read:

3           **803.08 (11) INTERLOCUTORY APPEAL OF CLASS CERTIFICATION.** (a) When  
4 practicable after the commencement of an action brought as a class action, the court  
5 shall determine by order whether it is to be so maintained. If the court finds that the  
6 action should be maintained as a class action, it shall certify the action accordingly  
7 on the basis of a written decision setting forth all reasons why the action may be  
8 maintained and describing all evidence in support of the determination. An order  
9 under this subsection may be altered, amended, or withdrawn at any time before the  
10 decision on the merits. The court may direct appropriate notice to the class.

11           (b) An appellate court shall hear an appeal of an order granting or denying class  
12 action certification, or denying a motion to decertify a class action, if a notice of  
13 appeal is filed within 14 days after entry of the order. During the pendency of an  
14 appeal under this subsection, all discovery and other proceedings shall be stayed,  
15 except that the trial court shall retain sufficient jurisdiction over the case to consider  
16 and implement a settlement of the action if a settlement is reached between the  
17 parties.

18           **SECTION 9.** 804.01 (1) of the statutes is amended to read:

19           **804.01 (1) DISCOVERY METHODS.** Parties may obtain discovery by one or more  
20 of the following methods: depositions upon oral examination or written questions;  
21 written interrogatories; production of documents or things or permission to enter  
22 upon land or other property, for inspection and other purposes; physical and mental  
23 examinations; and requests for admission. Unless the court orders otherwise under  
24 sub. (3), and except as provided in §. ss. 804.015, 804.045, 804.08 (1) (am), and 804.09,  
25 the frequency of use of these methods is not limited.

**ENGROSSED ASSEMBLY BILL 773****SECTION 10**

1           **SECTION 10.** 804.01 (2) (a) of the statutes is amended to read:

2           804.01 (2) (a) *In general.* Parties may obtain discovery regarding any  
3 ~~nonprivileged matter, not privileged, which that~~ is relevant to the subject matter  
4 involved in the pending action, whether it relates to the any party's claim or defense  
5 of the party seeking discovery or to the claim or defense of any other party, including  
6 the existence, description, nature, custody, condition and location of any books,  
7 documents, or other tangible things and the identity and location of persons having  
8 knowledge of any discoverable matter. It is not ground for objection that the  
9 information sought will be inadmissible at the trial if the information sought appears  
10 reasonably calculated to lead to the discovery of admissible evidence and  
11 proportional to the needs of the case, considering the importance of the issues at  
12 stake in the action, the amount in controversy, the parties' relative access to relevant  
13 information, the parties' resources, the importance of the discovery in resolving the  
14 issues, and whether the burden or expense of the proposed discovery outweighs its  
15 likely benefit. Information within this scope of discovery need not be admissible in  
16 evidence to be discoverable.

17           **SECTION 11.** 804.01 (2) (am) of the statutes is created to read:

18           804.01 (2) (am) *Limitations.* Upon the motion of any party, the court shall limit  
19 the frequency or extent of discovery if it determines that one of the following applies:

20           1. The discovery sought is cumulative or duplicative, or can be obtained from  
21 some other source that is more convenient, less burdensome, or less expensive.

22           2. The burden or expense of the proposed discovery outweighs its likely benefit  
23 or is not proportional to the claims and defenses at issue considering the needs of the  
24 case, the amount in controversy, the parties' resources, the complexity and

**ENGROSSED ASSEMBLY BILL 773**

1 importance of the issues at stake in the action, and the importance of discovery in  
2 resolving the issues.

3 **SECTION 12.** 804.01 (2) (bg) of the statutes is created to read:

4 804.01 (2) (bg) *Third party agreements.* Except as otherwise stipulated or  
5 ordered by the court, a party shall, without awaiting a discovery request, provide to  
6 the other parties any agreement under which any person, other than an attorney  
7 permitted to charge a contingent fee representing a party, has a right to receive  
8 compensation that is contingent on and sourced from any proceeds of the civil action,  
9 by settlement, judgment, or otherwise.

10 **SECTION 13.** 804.01 (2) (e) 1. of the statutes is renumbered 804.01 (2) (e) 1r.

11 **SECTION 14.** 804.01 (2) (e) 1g. of the statutes is created to read:

12 804.01 (2) (e) 1g. A party is not required to provide discovery of any of the  
13 following categories of electronically stored information absent a showing by the  
14 moving party of substantial need and good cause, subject to a proportionality  
15 assessment under par. (am) 2.:

16 a. Data that cannot be retrieved without substantial additional programming  
17 or without transforming it into another form before search and retrieval can be  
18 achieved.

19 b. Backup data that are substantially duplicative of data that are more  
20 accessible elsewhere.

21 c. Legacy data remaining from obsolete systems that are unintelligible on  
22 successor systems.

23 d. Any other data that are not available to the producing party in the ordinary  
24 course of business and that the party identifies as not reasonably accessible because  
25 of undue burden or cost. In response to a motion to compel discovery or for a

**ENGROSSED ASSEMBLY BILL 773****SECTION 14**

1 protective order, the party from whom discovery is sought is required to show that  
2 the information is not reasonably accessible because of undue burden or cost. If that  
3 showing is made, the court may order discovery from such sources only if the  
4 requesting party shows good cause, considering the limitations of par. (am). The  
5 court may specify conditions for the discovery.

6 **SECTION 15.** 804.01 (2) (e) 2. of the statutes is amended to read:

7 804.01 (2) (e) 2. If a party fails or refuses to confer as required by subd. ~~1.~~ 1r.,

11 to any proposed request for discovery of electronically stored information or objects  
12 to any response under s. 804.08 (3) proposing the production of electronically stored  
13 information, the objecting party may move the court for an appropriate order under  
14 sub. (3).

15 **SECTION 17.** 804.01 (3) (a) 2. of the statutes is amended to read:

16 804.01 (3) (a) 2. That the discovery may be had only ~~on specified by specifying~~  
17 ~~terms and conditions, including a designation of the time or~~ and place or the

19 **SECTION 18.** 804.01 (4) of the statutes is amended to read:

20 804.01 (4) SEQUENCE AND TIMING OF DISCOVERY. Unless the parties stipulate or  
21 the court upon motion, for the convenience of parties and witnesses and in the  
22 interests of justice, orders otherwise, methods of discovery may be used in any  
23 sequence and the fact that a party is conducting discovery, whether by deposition or  
24 otherwise, shall not operate to delay any other party's discovery.

25 **SECTION 19.** 804.01 (8) of the statutes is created to read:

**ENGROSSED ASSEMBLY BILL 773**

1           804.01 (8) PRESERVATION OF ELECTRONICALLY STORED INFORMATION. Absent a  
2 court order demonstrating that the requesting party has a substantial need for  
3 discovery of the electronically stored information requested, a party is not required  
4 to preserve the following categories of electronically stored information:

5           (a) Data that cannot be retrieved without substantial additional programming  
6 or without transforming it into another form before search and retrieval can be  
7 achieved.

8           (b) Backup data that are substantially duplicative of data that are more  
9 accessible elsewhere.

10          (c) Legacy data remaining from obsolete systems that are unintelligible on  
11 successor systems.

12          (d) Any other data that are not available to the producing party in the ordinary  
13 course of business.

14           **SECTION 20.** 804.045 of the statutes is created to read:

15           **804.045 Limits on quantity of depositions.** A party shall be limited, unless  
16 otherwise stipulated or ordered by the court in a manner consistent with s. 804.01  
17 (2), to a reasonable number of depositions, not to exceed 10 depositions, none of which  
18 may exceed 7 hours in duration.

19           **SECTION 21.** 804.08 (1) (am) of the statutes is created to read:

20           804.08 (1) (am) A party shall be limited, unless otherwise stipulated or ordered  
21 by the court in a manner consistent with s. 804.01 (2), to a reasonable number of  
22 requests, not to exceed 25 interrogatories, including all subparts.

23           **SECTION 22.** 804.09 (2) (a) of the statutes is renumbered 804.09 (2) (a) (intro.)  
24 and amended to read:

**ENGROSSED ASSEMBLY BILL 773**

1           804.09 (2) (a) (intro.) Except as provided in s. 804.015, the request may, without  
2 leave of court, be served upon the plaintiff after commencement of the action and  
3 upon any other party with or after service of the summons and complaint upon that  
4 party, and shall meet all of the following criteria:

5           1. The request shall describe with reasonable particularity each item or  
6 category of items to be inspected.

7           2. The request shall specify a reasonable time, place, and manner of making  
8 the inspection and performing the related acts.

9           4. The request may specify the form or forms in which electronically stored  
10 information is to be produced.

11           **SECTION 23.** 804.09 (2) (a) 3. of the statutes is created to read:

12           804.09 (2) (a) 3. The request shall be limited, unless otherwise stipulated or  
13 ordered by the court in a manner consistent with s. 804.01 (2), to a reasonable time  
14 period, not to exceed 5 years prior to the accrual of the cause of action. The limitation  
15 in this subdivision does not apply to requests for patient health care records, as  
16 defined in s. 146.81 (4), vocational records, educational records, or any other similar  
17 records.

18           **SECTION 24.** 804.09 (2) (b) 1. of the statutes is amended to read:

19           804.09 (2) (b) 1. The party upon whom the request is served shall serve a  
20 written response within 30 days after the service of the request, except that a  
21 defendant may serve a response within 45 days after service of the summons and  
22 complaint upon that defendant. The court may allow a shorter or longer time. The  
23 response shall state, with respect to each item or category, that inspection and  
24 related activities will be permitted as requested, unless or state with specificity the  
25 grounds for objecting to the request is objected to, in which event the reasons for

1 ~~objection shall be stated.~~ If objection is made to part of an item or category, the part  
2 shall be specified. The response may state an objection to a requested form for  
3 producing electronically stored information. If the responding party objects to a  
4 requested form, or if no form was specified in the request, the party shall state the  
5 form or forms it intends to use. The responding party may state that it will produce  
6 copies of documents or of electronically stored information instead of permitting  
7 inspection. The production shall be completed no later than the time for inspection  
8 specified in the request or another reasonable time specified in the request or  
9 another reasonable time specified in the response.

10 **SECTION 25.** 804.12 (1) (a) of the statutes is amended to read:
