CLEARINGHOUSE RULE 21-034

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

2. Form, Style and Placement in Administrative Code

In the analysis for the proposed rule, under the heading for related statutes or rules, the board could consider adding a citation to the general licensing provision for podiatric medicine and surgery in s. Pod 1.03.

3. Conflict With or Duplication of Existing Rules

The current administrative rules, in s. Pod 1.03, specify the materials that “every” applicant must submit to apply for regular credentialing. As these materials are different from the information that must be submitted under the provision created in the proposed rule, in s. Pod 1.095, the current text of s. Pod 1.03 should be amended to add the phrase “Except as provided in s. Pod 1.095,”.

5. Clarity, Grammar, Punctuation and Use of Plain Language

In s. Pod 1.095, the board should specify whether the required application materials are in addition to or notwithstanding the materials that every applicant must submit under s. Pod 1.03.
