Assumptions Used in Arriving at Fiscal Estimate

The proposed rule modifications bring driver's education course standards into conformance with statutory standards under s. 115.28 (11), Stats. The rules delete the section relating to driver's education aid because funds are no longer appropriated under s. 20.255.(2) (em), Stats. The rules also reflect statutory requirements by mandating specific instruction be given in driver's education courses.

These proposed rules have no state or local fiscal effect.
