

**ORDER OF THE STATE OF WISCONSIN,
DEPARTMENT OF FINANCIAL INSTITUTIONS, DIVISION OF CORPORATE
AND CONSUMER AFFAIRS
ADOPTING RULES**

1 The Wisconsin Department of Financial Institutions, Division of Corporate and Consumer
2 Services by this order creates ch. DFI—CCS 20 relating to video service franchise.

Analysis Prepared by the Department of Financial Institutions, Division of Corporate and Consumer Services

Statute(s) interpreted: s. 66.0420, Stats.

Statutory authority: ss. 66.0420(3)(f)4., 66.0420(13)(a) and 227.11(2), Stats.

Related statute or rule: none.

Explanation of agency authority: Pursuant to s. 66.0420(13)(c), Stats., the department shall enforce s. 66.0420 except sub. (8).

Summary of proposed rule: The objective of the rule is to create ch. DFI—CCS 20. Pursuant to s. 66.0420(13)(a), Stats., the department shall promulgate rules for determining whether an applicant is legally, financially, and technically qualified to provide video service, and may promulgate rules interpreting or establishing procedures for s. 66.0420, Stats. The purpose of this rule is to set forth certain matters regarding definitions, filings, fees and reports, certificates, video franchise area descriptions, maps, amendments to maps and video franchise area descriptions, qualifications, and proceedings and hearings.

Summary of and preliminary comparison with existing or proposed federal regulation: Comparable franchise application processes and proceedings are set forth in 47CFR76.

Comparison with rules in adjacent states: Illinois has enacted video franchise area legislation but no rules regarding this legislation.

Summary of factual data and analytical methodologies: The department reviewed the legislative findings of 66.0420, Stats., reviewed the video service franchise statutes and rules of other states that have adopted similar legislation, contacted video service franchise regulators in other states, and applied its own experience in regulation of financial industries generally.

Analysis and supporting documentation used to determine effect on small business: The rule does not have a significant economic impact on small business. Mandates and proceedings addressed by the rule are the result of and set forth in 2007 Wisconsin Act 42 and ch. 227, subch. III, and not the rule. The rule largely addresses filing matters or requests information otherwise already prepared for other agencies.

Summary of Final Regulatory Flexibility Analysis: This proposed rule will have no adverse impact on small businesses.

Summary of Comments received by Legislative Review Committees: No comments were received.

98 that information.

99 (5) BOUNDARY DETAIL REQUIREMENTS FOR VIDEO FRANCHISE AREA.
