11. Fiscal Analysis Summary

Section 50.033 (2s), Stats.(2005-06) required licensed adult family homes to, within the time period specified by the department by rule, refer to a resource center under s. 46.283, Stats., persons seeking admission, who were at least 65 years of age or who had a developmental disability or physical disability lasting at least 90 days, unless specified conditions applied. The required rules were promulgated by the department under s. DHS 88.06 (4). Section 50.033 (2s), Stats., was repealed by 2007 Act 20. The department proposes in this order to repeal s. DHS 88.06 (4) because the rules are no longer required. The rule change will have no fiscal effect since the statutory provision has already been repealed.
