Towns Villages Cities

Counties Others _____

School Districts WTCS Districts

Fund Sources Affected

GPR FED PRO PRS SEG SEG-S

Affected Ch. 20 Appropriations

Assumptions Used in Arriving at Fiscal Estimate

The rules are not expected to have any significant fiscal effect on the Department because they are not expected to result in any substantial increase or decrease in workload.

The rules are not expected to impose any significant costs on the private sector because the rules only create definitions for applicants that choose to pursue tax credits for beginning or expanding operations in, relocating to, or making significant capital expenditures in designated enterprise zones.

Long-Range Fiscal Implications

None known.
