ANALYSIS

Statutes interpreted:

Section 454.12, Stats.

Statutory authority:

Sections 15.08 (5) (b), 227.11 (2) and 454.12, Stats.

Explanation of agency authority:

The Barbering and Cosmetology Examining Board is granted the authority under s. 454.12 Stats. to promulgate rules that establish continuing education requirements for licensure.

Plain language analysis:

This proposed rule-making modifies continuing education requirements for licensure. It also modifies the criteria for the approval of continuing education programs and the types of programs required to be taken for license renewal.

SECTION 1 Section 1 contains a cross-reference change.

SECTION 2 Section 2 contains a cross-reference change.

SECTION 3 sets out the maximum number of credits that must be completed for late renewal applicants whose license has not been expired greater than 5 years. This section also contains a cross-reference change.

SECTION 4 repeals and recreates ch. BC 11. Section BC 11.01 identifies the authority and purpose for ch. BC 11, Continuing Education. Section BC 11.02 provides definitions for certain terms.

Section BC 11.03 provides the continuing education requirements for license renewal.

Section BC 11.04 creates standards for approval of programs and courses.

Section BC 11.05 requires licensees to obtain certificates of completion or proof of attendance from program providers.

Section BC 11.06 requires licensees to retain completion certificates for a specified period.

Section BC 11.07 specifies provisions by which the CE requirements may be waived.

SECTION 5 contains the initial applicability clause.

Summary of, and comparison with, existing or proposed federal regulation:

There is no existing or proposed federal regulation.

Comparison with rules in adjacent states:

Illinois:

Continuing education requirements are as follows: Ten hours are required for estheticians, 14 hours for cosmetologists, and 10 hours for nail technicians for each biennial renewal. There are no requirements for barbers. www.ilga.gov/legislation/ilcs/ilcs.asp. Note: Barbers and Cosmetologists in Illinois are not governed by the same board as they are two separate licenses.

Iowa:

Continuing education requirements for each biennial reporting period are 8 hours each for barbers, cosmetologists, nail technicians, and estheticians. www.idph.state.ia.us

Michigan:

There are no continuing education requirements for barbering or cosmetology. www.michigan.gov/dleg

Minnesota:

Cosmetologists, manicurists, and estheticians must provide documentation that they have practiced for a certain amount of hours in the previous 3-year period or have taken an approved 40-hour refresher course. This requirement does not exist for barbers. These professions do not have continuing education requirements. www.bceboard.state.mn.us

Summary of factual data and analytical methodologies:

The comparison information with the rules in adjacent states was obtained directly from contact with those states and a review of their rules. The comparison to the adjacent states demonstrates that the proposed rules are substantially consistent with the rules in those states. In addition, the Barbering and Cosmetology Examining Board examined models of continuing education from national organizations related to their profession, as well as from other Wisconsin regulatory boards.

Analysis and supporting documents used to determine effect on small business or in preparation of economic impact report:

Internet research, as well as telephone surveys were conducted regarding the availability and costs related to continuing education in the cosmetology profession. Continuing education credits are available at an average cost range of \$10-\$25 per credit hour, and are available in a wide array of modes (online, video correspondence, workshops, etc.). That data was compared with the requirements outlined in the proposed rules and based thereon. It appears that while individual licensees will see a slight increase in the cost associated with doing business as a result of these rules, the rules will have no significant impact on a substantial number of small businesses.

Section 227.137, Stats., requires an “agency” to prepare an economic impact report before submitting the proposed rule-making order to the Wisconsin Legislative Council. The Department of Regulation and Licensing is not included as an “agency” in this section.

Anticipated costs incurred by private sector:

The department finds that this rule has no significant fiscal effect on the private sector.

Fiscal estimate:

The department estimates that this rule will require staff time in the Division of Enforcement, Division of Management Services, and the Office of Exams. The total one-time salary and fringe costs are estimated at \$26,172. The total on-going salary and fringe costs are estimated at \$40,228.

Effect on small business:

These proposed rules will not have a significant economic impact on a substantial number of small businesses, as defined in s. 227.114 (1), Stats. The Department’s Regulatory Review Coordinator may be contacted by email at john.murray@wisconsin.gov, or by calling (608) 266-8608.

CONTINUING EDUCATION

BC 11.01 Authority and purpose. The rules in this chapter are adopted under the authority in ss. 15.08 (5) (b), 227.11 (2) and 454.12, Stats., and govern biennial continuing education for aesthetics, barbering and cosmetology practitioner and manager, electrology and manicuring licenses.

BC 11.02 Definitions. As used in this chapter:

(1) “Biennium” or “biennial reporting period” means a 2-year period beginning April 1 of each odd-numbered year and ending on March 31 of the next odd-numbered year, during which a licensee shall satisfy the continuing education requirements under this chapter.

(2) “Continuing education” means the planned, professional development activities designed to contribute to the advancement, extension and enhancement of the professional skills or knowledge of the licensees in the practice of barbering and cosmetology, manicuring, aesthetics and electrology.

(3) “Continuing education credit hour” means a unit of credit for continuing education courses, where one continuing education credit hour equals 50 minutes of actual instruction in a continuing education training program.

(4) “Continuing education training program” means any course, program or activity approved under s. BC 11.04 having a clear purpose and objective that will maintain, improve, or expand the skills and knowledge relevant to the licensee’s professional practice.

(5) “Safety, sanitation and infection control” means any topics or subjects which pertain to all of the barbering and cosmetology professions and which are designed to safeguard the public health, safety and welfare by providing instruction on and increasing knowledge and awareness of the identification, assessment, management, control and prevention of factors that may adversely affect the health, comfort, safety or well-being of individuals. This could include courses dealing with first-aid, blood-borne pathogens, product selection, infection control, client safety, and proper techniques for cleaning, disinfection and sterilization of equipment in accordance with acceptable state and federal standards.

BC 11.03 Continuing education requirements for license renewal. (1) Except as provided in sub. (3), every licensee shall complete a minimum of 4 continuing education credit hours during each biennial reporting period.

(b) Three continuing education credit hours in safety, sanitation and infection control.

(c) Licensees holding more than one license need to fulfill the requirements listed in pars. (a) and (b) one time only regardless of how many licenses they hold.

(3) A licensee is not required to complete continuing education credit hours between initial licensure and the first license renewal period.

(4) If a licensee fails to complete the continuing education requirements within a biennial reporting period, continuing education credit hours acquired on or after April 1 of any

odd-numbered year will be first applied to the preceding biennium until the requirement is fulfilled. Continuing education credit hours may not apply to more than one biennium.

(5) Continuing education credit hours may be obtained through any of the following means:

(a) Attending seminars, corporate in-house courses, workshops, professional or technical presentations made at meetings, conventions, or conferences approved by the board under s. BC 11.04. Attendance may be in person or via remote classroom where a qualified provider is available to the participant to comment and answer questions.

4. The course or program contains a reasonable procedure for verifying the enrollees' identities.

5. The course or program contains a minimum of 50 minutes of actual instruction for each credit hour offered. For purposes of calculating actual instruction time, the time spent for testing and assessment purposes shall not be included.

(2) The board may conduct a random audit of its licensees on a biennial basis for compliance with these requirements. It is the responsibility of each licensee to retain or otherwise produce evidence of compliance.

(3) If evidence of compliance is requested by the board or its designee, the licensee shall submit the requested information or documentation within 30 days of receiving the written notice. Failure to do so may result in disciplinary action.

(2) A renewal applicant who prior to the expiration date of the license submits a request for a waiver, pays the renewal fee and provides a written statement setting forth the basis of the request, shall be deemed to be licensed and in good standing until the final decision on the application is issued by the board or its designee. If a finding of extreme hardship is not made, the applicant shall immediately discontinue engaging in the practice of barbering and cosmetology until the applicant meets the requirements of s. BC 11.03 and submits evidence of compliance to the board or its designee.

(3) A renewal applicant may not receive a waiver under this provision for 2 consecutive biennia.

(4) Except as provided in sub. (2), a licensee who fails to meet the continuing education requirements by the renewal date, as specified in s. 440.08 (2) (a), Stats., may not engage in the practice of a barbering and cosmetology profession until the license is renewed.
