**FROM:** **P.C. Johnson DVM, Chair of the Veterinary Examining Board**

**SUBJECT:** **Continuing Education**

***Introduction***

The Veterinary Examining Board is transmitting this rule for legislative committee review, as provided in s. 227.19(2) and (3), Stats. The Board will publish notice of this referral in the Wisconsin Administrative Register, as provided in s. 227.19(2), Stats. This rule repeals VE 10.03(3)(b) and (i), Adm. Code., related to continuing education.

***Background***

In accordance with s. 89.062(2)(a) and (b), Stats., licensed veterinarians are required to complete 30 hours of continuing education and licensed veterinary technicians are required to complete 15 hours of continuing education. Continuing education requirements for both veterinarians and veterinary technicians are found in Chapter VE 10. Recently, the Veterinary Examining Board identified several provisions within ch. VE 10 that required revising, specifically s. VE 10.03(3)(b). The Board determined that this provision allowing self-study of veterinary medical or scientific journals was obsolete due to the abundance of continuing education offered via the internet. The Board also identified s. VE 10.03(3)(i), regarding certification to use, handle, distribute and dispose of pesticides as outdated due to recent legislation, 2009 Wisconsin Act 139. Act 139 specified that the Board may not require training or continuing education concerning the use, handling, distribution, and disposal of pesticides, other than for disciplinary purposes.

### ***Rule Content***

The proposed rule repeals VE 10.03(3)(b) and (i) so that neither self-study of veterinary medical or scientific journals nor preparation and successful completion of the examination required for certification to use, handle, distribute and dispose of pesticides will no longer be approved for continuing education.

### ***Summary of, and Comparison with, Existing or Proposed Federal Statutes and Regulations***

### ***Comparison with Rules in Adjacent States***

#### **Illinois:**

Illinois Administrative Code allows renewal applicants to use self-study courses offered by an approved provider (Ill. Admin. Code tit. 68, pt.1500.25 and Ill. Admin. Code tit. 68, pt. 1505.55).

#### **Iowa:**

Iowa Administrative Code allows the completion of distance education courses but does not explicitly allow for the completion of self-study courses to fulfill continuing education requirements (Iowa Admin. Code r. 811-11.1).

#### **Michigan:**

Continuing education is not required to renew a license as a veterinarian or a veterinary technician in the state of Michigan.

#### **Minnesota:**

Minnesota Administrative Code specifies that not more than ten hours of continuing education credit from noninteractive (self-study) sources may be accepted toward the 40- hour continuing education credit requirement for license renewal (Minn. R. 9100.100 subp. 5.)
