Assumptions Used in Arriving at Fiscal Estimate

The review of DOC 328 aims to make updates prompted by various pieces of legislation, changes in the operations and practices of the department as they affect adult field supervision.

For example, current rule does not address changes to the collection of restitution and court ordered obligations provided under 2015 Act 355. In addition, language regarding Short-Term Sanctions need to be updated to incorporate eligibility of probationers and parolees.

The Department estimates there will be no fiscal impact as a result of these Administrative rules updates and changes. Individual pieces of legislation may have had some fiscal impact, but these rule changes alone have no fiscal impact.

Legislative Council style, formatting and grammar suggestions are also incorporated to create consistent and accurate terminology and statutory applications.

Long-Range Fiscal Implications
Indeterminant.
