# Agency Person to be Contacted for Questions

Please direct any questions about the proposed rule to David Nispel, General Counsel, Department of Employee Trust Funds, P.O. Box 7931, Madison WI 53707. Telephone: (608) 264-6936. E-mail address: <u>david.nispel@etf.wi.gov</u>.

# Statement Explaining Need for Rule

This rule-making is needed to make technical updates to existing ETF rules, delete obsolete language in ETF rules, and to make other minor substantive changes.

# Analysis Prepared by the Department of Employee Trust Funds

- 1. <u>Statutes interpreted:</u> Sections 40.07, 40.05 and 40.08 (9m), Stats.
- 2. <u>Statutory authority:</u> Sections 40.03 (2) (i) and 227.11 (2) (a), Stats.
- Explanation of agency authority: By statute, the ETF Secretary is expressly authorized, with appropriate board approval, to promulgate rules required for the efficient administration of any benefit plan established in ch. 40 of the Wisconsin statutes.

In addition, each state agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency if the agency considers it necessary to effectuate the purpose of the statute.

4. <u>Related statutes or rules:</u>

There are no other related statutes or administrative rules directly related to this technical rule.

5. Plain language analysis:

The objective of this technical rule is to make technical updates to existing ETF rules and make other minor substantive changes. Three specific changes are made in this rule:

• Removing references to specific dates in a month that reports and remittances are required to be submitted to the department by Wisconsin Retirement System employers and makes these reports and remittances due on a day determined by the secretary and communicated to employers by the department through email updates, employer bulletins, or other means of communication.

• Adding a "named survivor" to the types of people to whom the department may release individual personal information when a WRS member dies or suffers a disabling injury or disease and reorganizing the affected subsection for clarity.

• Deletes obsolete language related to invalidating certain documents signed by a guardian but not accompanied by a certified copy of an order of a circuit court approving the specific terms of the document.

- 6. <u>Summary of, and comparison with, existing or proposed federal statutes and regulations:</u> The only federal regulations that may be affected by this proposed rule are provisions of the Internal Revenue Code regulating qualified pension plans. The Wisconsin Retirement System is required to be maintained as a qualified plan by s. 40.015, Stats.
- 7. <u>Comparison with rules in adjacent states:</u> Periodically, retirement systems in adjacent states promulgate technical rules to update existing administrative rules.
- 8. <u>Summary of factual data and analytical methodologies:</u> The department is proposing this rule to update existing rules and interpretations of existing statutes.

9. <u>Analysis and supporting documents used to determine effect on small business or in</u> preparation of economic impact analysis:

This rule does not have an effect on small businesses because private employers and their employees do not participate in, and are not covered by, the Wisconsin Retirement System. Please see attached economic impact analysis.

10. <u>Effect on small business:</u> The rule has no effect on small businesses.

# **Regulatory Flexibility Analysis:**

The proposed rule has no effect on small businesses because only governmental employers and their employees may participate in the benefit programs under ch. 40 of the statutes administered by the Department of Employee Trust Funds.

Please see the attached Fiscal Estimate and Economic Impact Statement.

# Comments

[<u>NOTE</u>: All citations to "Manual" in the comments below are to the <u>Administrative Rules Procedures Manual</u>, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

### 2. Form, Style and Placement in Administrative Code

a. The purpose of the plain language analysis is to provide an understandable and objective description of the effect of the rule. It is not adequate to simply call these technical changes. Please describe each change made to the rule in specific. [See s. 1.02 (2) (b), Manual.]

b. In s. ETF 10.63 (1) (a) to (f), is it necessary to maintain distinctions between various types of reports and remittances, given the department's proposed revisions to defer all due dates to dates determined by the secretary and communicated by means other than the administrative code? If such distinctions are not necessary, the need for s. ETF 10.63 (1) (intro.) should also be reviewed.

#### 5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In SECTION 1, s. ETF 10.63 (1) (intro.) refers to "various" reports in the subsection. This is vague. Consider using the following to improve clarity: "Reports and remittances required under this chapter shall be submitted to the department as follows:".

b. In SECTION 6, the lengthy description of to whom disclosure may be made is somewhat awkward. Consider listing the alternatives as separate paragraphs in order to improve clarity for the reader.
