Plain language analysis:

The proposed rule repeals chapter SPS 304, relating to the construction career academy grant program.

Section 101.31, 2013 Stats., required the Department to award grants and promulgate rules relating to the construction career academy grant program. This program was initially created by 2007 Wisconsin Act 20.

2015 Wisconsin Act 55 repealed s. 101.31, 2013 Stats., which eliminated the construction career academy grant program effective July 14, 2015. The repeal of s. 101.31, Stats., also eliminates the Department's administrative requirements and authority relating to the construction career academy grant program.

The Department has determined that chapter SPS 304 is an unauthorized rule and is repealing this chapter pursuant to s. 227.26 (4), Stats.
