

**STATEMENT OF SCOPE
DEPARTMENT OF CORRECTIONS**

Rule Number: Chapter DOC 306 and 376

Relating to: The amendment of chapter DOC 306 and 376, relating to the secure custody and care of individuals in the DOC's custody.

Rule Type: Emergency and Permanent Rule

1. FINDING/NATURE OF EMERGENCY.

The Department of Corrections (DOC) seeks to promulgate new emergency and permanent rules by amending Wisconsin Administrative Code DOC 306 and 376 to protect those individuals in the DOC's custody from SARS-CoV-2 virus, which cause the coronavirus disease of 2019 (in this Statement of Scope, the virus and disease will be referred to as "COVID-19") and from other future emergencies. On March 20, 2020, the Governor issued Emergency Order #9 to implement a moratorium on admissions to the state prisons and juvenile facilities operated by the Department of Corrections to mitigate the spread of COVID-19. Because the risks associated with COVID-19, or other future emergencies, are likely to continue after Emergency Order #9 expires, emergency and permanent rules are necessary for the preservation of public health, safety, and welfare.

2. DETAILED DESCRIPTION OF THE OBJECTIVE OF THE PROPOSED RULE.

The objective of the proposed emergency rule is to create requirements to protect those individuals in the DOC's custody from COVID-19 and prevent the spread of COVID-19 in this state and to create a permanent rule to do the same for future emergencies

3. DESCRIPTION OF EXISTING POLICIES AND NEW POLICIES INCLUDED IN PROPOSED RULE AND AN ANALYSIS OF POLICY ALTERNATIVES.

Currently, under the Emergency Order # 9, DOC was ordered to implement a moratorium on admissions to the state prisons and juvenile facilities operated by the Department of Corrections to mitigate the spread of COVID-19. Emergency Order # 9 also authorized the Secretary of the Department of Corrections to issue an order lifting the moratorium, either in whole or in part, at any time. If the Secretary of the DOC issued an order lifting the moratorium, either in whole or in part, the Secretary could have also rescinded such order. Emergency Order # 9 also provided that the DOC may continue to utilize any of its facilities for the temporary detention of persons in its custody, including those on probation with an imposed and stayed prison sentence, parole, or extended supervision. Emergency Order # 9 order was effective Monday, March 23, 2020, and remained in effect for the duration of the public health emergency declared in Executive Order #72 or until a superseding order is issued.

To the extent they are within the rulemaking authority of the Department under 301.02, 301.025, 301.03(1) - (2), (10) & 938.48, Stats., the provisions of Emergency Order # 9 will be included in the emergency and permanent rules to supplant the requirements imposed by Emergency Order #9 and address similar concerns for future emergencies. The policy alternative is for the DOC to continue to enforce under 301.02, 301.025, 301.03(1) - (2), (10) & 938.48, Stats., without imposing additional requirements that would protect those individuals in the DOC's custody from COVID-19 and prevent the spread of COVID-19 in this state or protect those individuals in the DOC's custody from future emergencies.

4. STATUTORY AUTHORITY.

SECTION 227.11 (2) (a) – (c). Rule-making authority is expressly conferred as follows:

- (a) Each agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency, if the agency considers it necessary to effectuate the purpose of the statute, but a rule is not valid if the rule exceeds the bounds of correct interpretation. All of the following apply to the promulgation of a rule interpreting the provisions of a statute enforced or administered by an agency:
1. A statutory or non-statutory provision containing a statement or declaration of legislative intent, purpose, findings, or policy does not confer rule-making authority on the agency or augment the agency's rule-making authority beyond the rule-making authority that is explicitly conferred on the agency by the legislature.
 2. A statutory provision describing the agency's general powers or duties does not confer rule-making authority on the agency or augment the agency's rule-making authority beyond the rule-making authority that is explicitly conferred on the agency by the legislature.
 3. A statutory provision containing a specific standard, requirement, or threshold does not confer on the agency the authority to promulgate, enforce, or administer a rule that contains a standard, requirement, or threshold that is more restrictive than the standard, requirement, or threshold contained in the statutory provision.
- (b) Each agency may prescribe forms and procedures in connection with any statute enforced or administered by it, if the agency considers it necessary to effectuate the purpose of the statute, but this paragraph does not authorize the imposition of a substantive requirement in connection with a form or procedure.
- (c) Each agency authorized to exercise discretion in deciding individual cases may formalize the general policies evolving from its decisions by promulgating policies as rules which the agency shall follow until they are amended or repealed. A rule promulgated in accordance with this paragraph is valid only to the extent that the agency has discretion to base an individual decision on the policy expressed in the rule.
