Comments should be submitted no later than March 15, 2022.

### **Initial Regulatory Flexibility Analysis**

This rule will have minimal impact on affected businesses, including “small businesses.” Negative effects, if any, will be few and limited. Because this rule will not have a significant adverse effect on “small business,” it is not subject to the delayed “small business” effective date provided in Wis. Stat. § 227.22 (2) (e).
