15. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule The benefit to implementing the rule is reflecting s. 440.09, Stats., as amended by 2019 Wisconsin Act 143. If the rule is not implemented, it will not reflect current requirements for issuing reciprocal credentials to service members, former service members, and the spouses of service members and former service members.	
16. Long Range Implications of Implementing the Rule The long range implication of implementing the rule is reflecting the requirements for issuing reciprocal credentials to service members, former service members, and the spouses of service members and former service members.	
17. Compare With Approaches Being Used by Federal Government None.	

ADMINISTRATIVE RULES Fiscal Estimate & Economic Impact Analysis

18. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois:

The Illinois Statutes provide for the expedited licensure of service members and their spouses (20 ILCS 5/5-715). “Service member” includes a person whose active duty service concluded within the 2 years preceding application for licensure. A license issued to a service member or the spouse of a service member may be renewed. Rules of the Illinois Department of Financial and Professional Regulation establish requirements for licensure as a dietitian nutritionist in Illinois (68 Ill. Adm. Code 1245 Subpart B).

Iowa:

Rules of the Professional Licensure Division of the Iowa Department of Public Health provide for the expedited reciprocal licensure of a veteran or a spouse of an active duty service member (645 IAC 645.20.3). A reciprocal license issued to a veteran or a spouse of an active duty service member may be renewed. Rules of the Iowa Board of Dietetics establish requirements for licensure as a dietitian in Iowa (645 IAC 81.4).

Michigan:

The Michigan Statutes provide for temporary licensure of the spouse of an active duty service member (MCL 339.213). A temporary license is valid for 6 months and may be renewed for one additional 6-month term if it is determined the licensee continues to meet the requirements for temporary licensure and needs additional time to fulfill the requirements for initial licensure. Public Act 267 of 2014 repealed Michigan’s licensure requirements for dietitians and nutritionists and eliminated the Michigan Board of Dietetics and Nutrition.

Minnesota:

The Minnesota Statutes provide for temporary licensure of an individual who is an active duty military member, the spouse of an active duty military member, or a veteran who has left service in the 2 years preceding the date of license application (2020 Minnesota Statutes, Section 197.4552). A temporary license allows a qualified individual to perform regulated professional services for a limited length of time as determined by the applicable licensing board. During the temporary license period, the individual must complete the full application procedure as required by applicable law. Rules of the Minnesota Board of Dietetics and Nutrition Practice establishes requirements for licensure as a dietitian in Minnesota (Minnesota Administrative Rules, 3250.0010).
