**Explanation of Agency Authority**

Section 48.195 (6), Stats., provides that the department shall promulgate rules to implement s. 48.195, Stats., on taking a newborn child into custody.

Section 48.57 (3m) (i), Stats., provides that the department shall promulgate rules to implement kinship care under s. 48.57 (3m), Stats., including rules to provide assessment criteria for determining whether a relative caregiver who is providing care and maintenance for a child is eligible to receive payments and rules governing the provision of payments for the care and maintenance of a child after the child attains 18 years of age.

Section 48.57 (3n) (i), Stats., provides that the department shall promulgate rules to implement long-term kinship care under s. 48.57 (3n), Stats., including rules governing the provision of payments for the care and maintenance of a child after the child attains 18 years of age.

Section 48.67 (intro.), Stats., provides that the department shall promulgate rules establishing minimum requirements for the issuance of licenses to, and establishing standards for the operation of, child welfare agencies, child care centers, foster homes, group homes, shelter care facilities, and county departments. Those rules shall be designed to protect and promote the health, safety, and welfare of the children in the care of all licensees.

### **Summary of the Rule**

The proposed rules will make minor substantive changes, statutory updates, clarifications, and technical corrections to the department's child welfare rules, including the following:

#### **DCF 58, Kinship Care and Long-Term Kinship Care**

The current ch. DCF 58 provides that a relative caregiver of a child is eligible for long-term kinship care only if the relative caregiver is the child's guardian under s. 48.977, Stats. The proposed rules extend eligibility for long-term kinship care to a relative caregiver who is the guardian of a child under a tribal court order that is substantially similar to an order under s. 48.977, Stats. "Tribal court order" is defined as an order of a tribal court located in Wisconsin.

Section 48.57 (3n) (am) 1., Stats., limited eligibility for long-term kinship care to a relative caregiver who was appointed the child's guardian under s. 48.977, Stats., until the cross-reference to s. 48.977, Stats., was removed in 2009 Wisconsin Act 71.

The proposed rules also do the following:

— Add "or a substantially similar tribal law of a tribe located in Wisconsin" to the definitions of "voluntary placement agreement" and "voluntary transition-to-independent-living agreement."

— Create a definition for "tribal private guardianship order" to mean a guardianship order of a tribal court that is granted under a tribal law that is substantially similar to s.

48.9795, Stats., and add “or a tribal private guardianship order” to each cross-reference to s. 48.9795, Stats.

— Correct terminology from “or a substantially similar Wisconsin tribal law” to “or a substantially similar tribal court order” throughout the rule. “Tribal court order” is defined as an order of a tribal court located in Wisconsin.

#### DCF 12, Background Checks for Child Welfare Programs

The proposed rules update DCF 12 to conform with changes to s. 48.685, Stats., as affected by 2019 Wisconsin Act 9, that require agencies and entities to conduct a background check on any adult working in a residential care center for children and youth, group home, or shelter care facility. The proposed rules define any of these facilities as a “congregate care facility” and a “congregate care worker” as any adult working in a congregate care facility. The term “congregate care worker” is added to various provisions throughout the rule, and the term “caregiver background check” is changed to “background check.”

Prior to 2019 Wisconsin Act 9, an employee or contractor was subject to the background check requirements only if the employee or contractor met the definition of caregiver in s. 48.685 (1) (ag), Stats.

#### DCF 12, Background Checks for Child Welfare Programs, and DCF 13, Background Check for Child Care Programs

A citation in the definition of “final substantiated finding” of child abuse or neglect is corrected.

#### DCF 39, Relinquishing Custody of a Newborn Child

DCF 39 includes a definition of “hospital staff member” that specifies various types of hospital staff members including “a hospital social worker, as described in s. DHS 124.25.” This provision is replaced with “a hospital social worker, case worker, or social work assistant.” In addition, a reference to the Bureau of Milwaukee Child Welfare is replaced with “the department in a county with a population of 750,000 or more.”

#### DCF 40, Review of a Determination of Child Abuse or Neglect

The population of Milwaukee County is updated from 500,000 to 750,000 in the definition of “agency.”

#### DCF 50, Facilitating Public Adoptions and Adoption Assistance

A citation in the definition of “final substantiated finding” of child abuse or neglect is corrected.

### DCF 52, Residential Care Centers for Children and Youth

The proposed rule corrects a misplaced exception regarding the effect of a court order placing resident in a locked unit.

### DCF 52, Residential Care Centers for Children and Youth, and DCF 59, Shelter Care Facilities

The proposed rules remove obsolete language in chs. DCF 52 and 59 that requires the background information disclosure form to be notarized.

### DCF 55, Subsidized Guardianship, and DCF 56, Foster Home Care for Children

The proposed rules update DCF 55 and 56 to reflect changes to background checks required under s. 48.685, Stats., as affected by 2017 Wisconsin Act 59, including the following:

— An agency or entity is required to obtain criminal history information from another state or conduct an FBI fingerprint-based criminal history search of a person who is the subject of the background check if the person has not been a resident of this state at any time within a specified number of years prior to the search. 2017 Wisconsin Act 59 extended this time period from 3 years to 5 years preceding the search.

— Prior to 2017 Wisconsin Act 59, s. 48.685 (4m), Stats., provided that, unless a person has demonstrated that the person has been rehabilitated, the person is barred from licensure, employment or contract, or nonclient residency if the person has been convicted of a serious crime specified in s. 48.685 (1) (c), Stats. 2017 Wisconsin Act 59 amended s. 48.685 (4m), Stats., to add the following reasons a person may be barred:

— The person is the subject of a pending criminal charge alleging that the person committed a serious crime specified in s. 48.685 (1) (c), Stats.,

— The person has been adjudicated delinquent for committing a serious crime specified in s. 48.685 (1) (c), or is the subject of a delinquency petition alleging that the person committed a serious crime specified in s. 48.685 (1) (c), Stats.

In addition, gender-specific pronouns are replaced with gender-neutral terms throughout the proposed rules.

### **Summary of Factual Data and Analytical Methodologies**

The proposed rules include orders of a tribal court located in Wisconsin in eligibility for long-term kinship care, clarify language, and update child welfare rules that are superseded by, or in conflict with, a state statute.

### **Summary of Related Federal Law**

The federal Family First Prevention Services Act of 2018 requires a background check for all workers in congregate care facilities, including residential care centers for children and youth, group homes, and shelter care facilities.

### **Comparison to Adjacent States**

Not applicable

### **Effect on Small Businesses**

The proposed rules affect small businesses as defined in s. 227.114 (1), Stats., but have no or minimal effect on these businesses.

### **Analysis Used to Determine Effect on Small Businesses**

The rules make technical corrections and clarifications.
