Minimum requirements for a verified complaint include the name of the candidate or chairman or treasurer of a political committee against whom the complaint is directed [10 ILCS5/9-20(2)], the statutory provisions which are alleged to have been violated [10 ILCS5/9-20(3)], and the time, place, and nature of the alleged offense [10 ILCS5/9-20(4)]. The complaint shall be verified, dated, and signed by the person filing the complaint [10 ILCS5/9-20(4)]. Verified complaints received by the Secretary of State are processed in the following manner: a copy of the complaint is served by the Board of Elections to the complainant and respondent, and a closed preliminary hearing, with reasonable notice, is held to provide an opportunity for the complainant and respondent to testify at the hearing, and the Board determines if the complaint appears to have been filed on justifiable grounds [10 ILCS5/9-21]. The Board may dismiss the complaint if the Board fails to determine that the complaint was filed on justifiable grounds [10 ILCS5/9-21]. The parties to the complaint may dispose of the complaint by written stipulation, agreed settlement, or consent order [10 ILCS5/9-21]. The Board shall render its final judgement within 60 days of the date the complaint is filed, except that during the 60 days preceding the date of the election in reference in which the complaint is filed, the Board shall render its final judgement within 7 days of the date the complaint is filed, and during the 7 days preceding such election, the Board shall render such judgement before the date of such election, if possible [10 ILCS5/9-21]. The Board of Elections shall establish and maintain on its official website a searchable database, accessible to the public, of each complaint filed with the Board with respect to which Board action was taken, and the database must be updated within 5 business days after an action is taken or penalty is imposed [10 ILCS5/9-23.5].

Complaints regarding suspected violations of the Illinois Governmental Ethics Act (5 ILCS 420) are authorized under 5 ILCS 420/25-45, 5 ILCS 420/25-50, and the Operational Rules of the Illinois Legislative Ethics Commission R1-1 et. seq. alleged violation [R17-10(d)], a description of the facts and circumstances that surrounded the alleged violation [R17-10(e)], the names of any other person who witnessed or participated in the alleged violation [R17-10(f)], an address to which the completed case initiation form may be mailed [R17-10(g)], a statement of the confidentiality of the identity of the complainant [R17-10(h)], a statement that the Legislative Inspector General's investigatory files and reports are confidential and exempt from disclosure under the Freedom of Information Act [R17-10(i)], a statement that allegations, pleadings, and related documents are exempt from disclosure under the Freedom of Information Act so long as the Commission does not make a finding of a violation [R17-10(j)], a statement that penalties may be imposed for intentionally making a false report alleging a violation [R17-10(k)], and any other information that the Legislative Inspector General reasonably requires [R17-10(l)]. Upon receipt of a completed case initiation form, the Legislative Inspector General shall create an investigation file [R17-15(a)] and commence an investigation with advance notice to the Commission [R17-25]. Only the Legislative Inspector General may bring actions before the Legislative Ethics Commission [5 ILCS 420/25-45(a)]. Cases before the Commission are commenced by the filing of a petition for leave to file a complaint with the Commission [R20-15(a)], with the Legislative Inspector General designated as the petitioner and the person alleged to have violated the act designated as the respondent [R20-15(b)]. Complaints must be filed with the Commission within 18 months after the most recent act of the alleged violation except where there is reasonable cause to believe that fraudulent concealment has occurred [5 ILCS 420/25-50(c)]. A respondent may file objections to the petition within 30 days after notice of the petition has been served on the respondent [5 ILCS 420/25-50(c-10)(e)] [R20-30]. Within 60 days after the time for a respondent to file an objection to the petition has expired, the Commission shall meet to review the sufficiency of the petition [R20-35(a)]. If the petition is sufficient, the Commission shall notify the parties by certified mail and schedule a hearing within 4 weeks after the date of the notice [5 ILCS 420/25-50(f)] [R20-35(b)]. All hearings are closed to the public [5 ILCS 420/25-50(g)] [R20-55(b)]. Within 60 days after the hearing, the Commission shall enter a decision [5 ILCS 420/25-50(h)] [R20-60(a)]. The decision shall include a description of the alleged misconduct, the decision of the Commission, including any fines levied and any recommendations of discipline, and the reasoning for that decision [R20-60(b)]. All decisions shall be sent to the parties, including the Legislative Inspector General, the ultimate jurisdictional authority, the head of the appropriate state agency, and the Attorney General [R20-60(d)]. Within 30 days after the issuance of a final decision that concludes that a violation occurred, the Commission shall make public the entire record of proceedings before the Commission, the decision, any recommendation, any discipline imposed, and the response from the agency head or ultimate jurisdictional authority to the Legislative Ethics Commission [5 ILCS 420/25-50(l)].

Submitted complaints received by Board are processed in the following manner. Board staff shall determine if the complaint is sufficient and refer the complaint for legal review [Iowa Code § 68B.32B(2)]. If Board staff determine that the complaint is insufficient, then the complaint is returned to the complainant with a statement of deficiency and description of cure [Iowa Code § 68B.32B(2)]. If legal counsel and the Board determine that the complaint does not contain a legally sufficient allegation, then the complaint is dismissed [Iowa Code § 68B.32B(6)] [Iowa Administrative Code 351-9.1(2)]. Legal sufficiency of a complaint is determined by facts that would establish a violation of a provision of statute or rule [Iowa Code § 68B.32B(4)(a)], facts that would establish that the conduct providing the basis for the complaint occurred within 3 years of the complaint [Iowa Code § 68B.32B(4)(b)], and facts that would establish that the subject of the complaint is a party subject to the jurisdiction of the board [Iowa Code § 68B.32B(4)(c)]. The Board provides a copy of the accepted complaint to the respondent within 3 working days of the acceptance determination [Iowa Code § 68B.32B(3)]. Complete investigations with probable cause determination are reported to the Board for action [Iowa Code § 68B.32B(8)] [Iowa Administrative Code 351-9.2(4)]. The Board may redirect the matter for further investigation [Iowa Administrative Code 351-9.2(5)(a)], dismiss the matter for lack of probable cause to believe a violation has occurred [Iowa Administrative Code 351-9.2(5)(b)], dismiss the matter without determination regarding probable cause as an exercise of administrative discretion [Iowa Administrative Code 351-9.2(5)(c)], make a determination that probable cause exists to believe a violation has occurred and direct administrative resolution of the matter [Iowa Administrative Code 351-9.2(5)(d)], or make a determination that probable cause exists to believe a violation has occurred and direct the issuance of a statement of charges to initiate a contested case proceeding [Iowa Administrative Code 351-9.2(5)(e)]. If the Board determines that probable cause exists to believe that a violation of any statute or rule under its jurisdiction has occurred, except for a late-filed disclosure report, the Board may order administrative resolution of the violation by imposing a civil penalty not to exceed \$500 [Iowa Administrative Code 351-9.4(7)]. At any stage during the investigation or after the initiation of a contested case proceeding, the Board may approve a settlement regarding an alleged violation [Iowa Administrative Code 351-9.2(10)]. The entire record of any contested case proceeding initiated by the Board shall be a public record [Iowa Code § 68B.32B(11)].
