**ORDER OF THE**  
**DEPARTMENT OF COMMERCE**  
EMERGENCY RULE RELATING TO DAIRY MANUFACTURING FACILITY  
INVESTMENT CREDITS

**Finding of Emergency and Rule Analysis**

The Department of Commerce finds that an emergency exists and that adoption of the rule included in this order is necessary for the immediate preservation of public welfare.

The facts constituting the emergency are as follows. Under sections 71.07 (3p) (b), 71.28 (3p) (b), and 71.47 (3p) (b) of the Statutes, as created in 2007 Wisconsin Act 20, a taxpayer may claim a dairy manufacturing facility investment credit for dairy manufacturing modernization or expansion during taxable years beginning after December 31, 2006. Sections 71.07 (3p) (a) 3., 71.28 (3p) (a) 3., and 71.47 (3p) (a) 3. of the Statutes define dairy manufacturing modernization or expansion as “constructing, improving, or acquiring buildings or facilities, or acquiring equipment, for dairy manufacturing . . . if acquired and placed in service in this state during taxable years that begin after December 31, 2006, and before January 1, 2015.” Section 71.07 (3p) (c) 2m. a. of the Statutes states that the maximum amount of credits that may be claimed in fiscal year 2007-08 is \$600,000.

Section 560.207 of the Statutes, as likewise created in 2007 Wisconsin Act 20, requires the Department to (1) implement a program for certifying taxpayers as eligible for the dairy manufacturing facility investment credit, (2) determine the amount of credits to allocate to those taxpayers, and (3) in consultation with the Department of Revenue, promulgate rules to administer the program. No other provisions are established in the Statutes regarding the specific process for taxpayers to use in applying for the credits, and for the Department of Commerce to use in certifying eligible taxpayers and in allocating the credits.

Because of enactment of 2007 Wisconsin Act 20, a number of entities that may be eligible for the tax credits have contacted the Department with inquiries concerning the process for applying for the credits, for expenditures that have been incurred during taxable years that began after December 31, 2006.

Entities that may be eligible for the tax credits for the 2007-08 fiscal year face near-term time constraints for filing their tax returns with the Department of Revenue. Although the Department of Commerce has begun promulgating the permanent rule that is required by 2007 Act 20, the time periods in chapter 227 of the Statutes for promulgating permanent rules preclude the permanent rule from becoming effective in time to readily accommodate claiming the tax credits for the 2007-08 fiscal year. This emergency rule will enable the Department of Commerce to establish an application, certification, and tax credit allocation process for the entities that need to soon file their tax returns for taxable years beginning after December 31, 2006.

Pursuant to section 227.24 of the Statutes, this rule is adopted as an emergency rule to take effect upon publication in the official state newspaper and filing with the Legislative Reference Bureau.
