1     **AN ACT** *to amend* 118.60 (4d) (b) 1. (intro.) and 121.91 (4) (n) 1.; and *to create*  
2           118.60 (4e) of the statutes; **relating to:** state aid to the resident school district  
3           of a pupil attending a private school under the Racine or statewide parental  
4           choice program.

### ***Analysis by the Legislative Reference Bureau***

This bill prohibits the Department of Public Instruction from making certain reductions in state aid paid to a school district until the electors of the school district have approved the reduction in state aid by a referendum vote. Current law requires DPI to reduce the state aid paid to a school district in a school year by the amount paid in that school year to a private school participating in the Racine or statewide parental choice program for each pupil who resides in that school district but who attends a private school under the Racine or statewide parental choice program.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
