1     **AN ACT to amend** 60.31 (3) (b) and 755.03 (1) of the statutes; **relating to:**  
2     changing the official bond requirements for town municipal judges.

---

***Analysis by the Legislative Reference Bureau***

This bill authorizes a town board to choose whether to require a municipal town judge to execute and file an official bond with the town clerk upon his or her election or appointment. If the town does not require a municipal judge to execute and file a bond, the town must obtain a dishonesty or other appropriate insurance policy that covers the judge. These provisions are similar to current law provisions that apply to city and village municipal judges.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
