RULES in FINAL DRAFT FORM

Rule No.: Chapter Comm 113

Relating to: Volume Cap Allocation Council

Clearinghouse Rule No.: 04-130

The Department of Commerce proposes an order to repeal ss. Comm 113.02 (5) and Comm 113.05; and to amend ss. Comm 113.06 (1) (d) (intro.) and Comm 113.07 (3) (intro.), (4) (intro.) and (i), (5), and (6) (intro.) and (c), relating to the volume cap allocation council.

Analysis of Proposed Rules

Statutory Authority: Section 15.04 (1) (c), Stats. Statutes Interpreted: Section 15.04 (1) (c), Stats.

General Summary

Section 15.04 (1) (c), Stats., authorizes department heads to create and appoint any council or committee as the operation of the department requires. The Volume Cap Allocation Council was created by the department to assist in evaluating volume cap applications and to make recommendations to the department secretary on volume cap allocation. The council is advisory only in that the department secretary makes the final decisions on cap allocation.

The proposed rules eliminate the Volume Cap Allocation Council as part of the review and evaluation process for volume cap allocation for Industrial Revenue Bond financing. Elimination of the council will result in a more efficient approval process and will not eliminate any final decision-making entity.

Federal Comparison

There is no existing or proposed federal regulation that addresses the elimination of the Volume Cap Allocation Council.

State Comparison
