(2) Within 10 days after the members of said board shall have been elected or appointed as aforesaid they shall hold a meeting and shall elect a president, a vice president, a secretary and a treasurer from their number, who shall hold office until the 4th Tuesday of April of the next following even-numbered year, and shall thereafter be elected biennially on the 4th Tuesday in April of the even-numbered years, for a term of 2 years. The treasurer shall, immediately upon election, furnish to the board a bond equal to the amount of such funds as may come into the treasurer's hands.

All receipts on account of said institution shall be paid into, and all expenditures defrayed from the auditorium fund.

(3) If any such institution shall at any time when there shall be outstanding no bonds issued under s. 229.21 (7) become profit-earning, over and above the expense of maintenance, repairs, insurance and other expenses connected with the operation thereof, the net profits arising from the original auditorium shall be separated from those arising from the addition, and the net profits arising from the original auditorium shall be divided equally between said corporation and the city treasury, and the net profits from said addition shall be paid into the city treasury, the amounts paid into the city treasury from either source to be credited to the general city fund. **History:** 1971 c. 152 s. 29; Stats. 1971 s. 229.25.

**229.26 Exposition center.** (1) Any city of the 1st class may in addition to all other powers conferred upon it establish and maintain a convention complex and exposition center, hereinafter termed “convention institution”, for the purpose of holding conventions, public meetings, expositions, exhibits, trade shows, gatherings, conferences and other related purposes of a public nature which are hereby declared to be public purposes.

(2) The building, maintenance and operation of the convention institution shall be under the complete and autonomous control of a board which shall act independently and shall be designated as the “(city) Exposition and Convention Center and Arena Board”. Such board shall be composed of the number of members as provided for by resolution adopted by the common council of such city. The common council shall prescribe the terms of members of the board and shall designate the manner in which they shall be selected. The board may sue and be sued.

(3) The board shall have complete maintenance, supervision, control and operation of the convention institution and it shall regulate, control and designate the use thereof. The board shall also fix the terms and conditions for its use and do all things necessary for the maintenance and operation thereof and it shall handle all finances of the convention institution.

(4m) A common council that creates a convention institution under this section may dissolve the convention institution and the convention institution’s board and transfer all of the assets and liabilities owned or administered by the convention institution if the common council enters into a transfer agreement under s. 229.47 (1) with a district that has jurisdiction over the territory in which the convention institution is located.

(5) The common council of such city may appropriate such

sums as may be required to supplement revenues of the convention institution in order for the board to regulate, control and operate the convention institution. The board may receive gifts and contributions from any source as in the judgment of such board shall be consistent and in keeping with the general operations and public purpose of the convention institution.

(6) The common council may by resolution adopted by it impose additional duties and responsibilities upon the board in connection with the operation, maintenance and control of such convention institution, however, the board shall itself determine the manner in which such operation shall be performed.

(7) In addition to all other powers of the board, the board may hire and retain personnel including the selection of a general manager for the convention institution and the board shall determine the manner of selection of all of its employees. The board shall establish the compensation for its personnel but shall relate as far as possible to general wage rates of such city of the 1st class for comparable work performed. The board may also enter into contracts on behalf of the board without first obtaining approval of the common council of such city and such contracts may be entered into with respect to all matters which relate to the operation, control and use of the convention institution as determined by the board.

(8) The board shall report annually or more frequently as the common council so determines with respect to all receipts and disbursements of the board, balances of the board’s funds and all other matters which bear upon the board’s operations. Expenditures made by the board from funds under its control shall not require prior approval of the common council of such city.

(10) If the employees who perform services for the board are included within one or more collective bargaining units under subch. (b) Subject to the approval of the local governing body of the city, the board may enter into a transfer agreement with another person to provide the terms and conditions upon which the board may transfer any of the city's interests in an existing theater. A transfer may take the form of a sale, lease or other conveyance and may be with or without financial consideration, except that if the transfer is made to a private, for-profit entity, the transfer shall be for fair market financial consideration. A transfer agreement shall require the transferee to accept an assignment of all contracts with other persons, with respect to the transferred theater, that are in force at the time of the transfer except that this provision does not apply to collective bargaining contracts.

(5) The local governing body of such city may appropriate such sums as may be required to supplement revenues of the theater in order for the board to regulate, control and operate the theater. As in the judgment of such board shall be consistent and in keeping with the general operation and public purposes of the theater, the board may receive, hold and manage any devise, bequest, donation or loan for the establishment, increase or maintenance thereof, under such regulations and conditions as may be prescribed pursuant to law or agreed upon by and between the donors and the board.

(6) The local governing body may by resolution adopted by it impose additional duties and responsibilities upon the board in connection with the operation, maintenance and control of the theater, however the board shall itself determine the manner in which such operations shall be performed.

(7) In addition to all other powers of the board, the board may hire and retain all personnel, or contract or designate responsibility for the supervision of the theater and the board shall determine the manner of selection of all of its employees, contracts or designees. The board shall establish the compensation for its personnel. The board may enter into contracts on behalf of the board without first obtaining approval of the local governing body of the city, and such contracts may be entered into with respect to all matters which relate to the operation, control and use of the theater as determined by the board.

**229.461 Development agreement, non-relocation agreement, lease.** (1) A district shall enter into a development agreement with a professional basketball team or its affiliate to require the professional basketball team or affiliate to develop and construct sports and entertainment arena facilities that will be financed in part by the district and, subject to sub. (3) (d), leased to the professional basketball team or its affiliate as provided in this subchapter. Before a district may sign the development agreement, the secretary of administration shall certify that the professional basketball team or its affiliate has agreed to fund at least \$250,000,000 to the development and construction of the sports and entertainment arena facilities. In addition, the professional basketball team or its affiliate must have entered into the non-relocation agreement under sub. (2) before the district may sign the development agreement.

(2) In consideration of the district, this state, a sponsoring municipality, and the most populous county in which the sponsoring municipality is located promising to commit \$250,000,000 of financial assistance to the development and construction of the sports and entertainment arena facilities and granting a professional basketball team, or its affiliate, the right to operate and manage the sports and entertainment arena facilities, the professional basketball team shall enter into a non-relocation agreement with the district, before it or its affiliate enters into a development agreement with the district under sub. (1), that contains all of the following provisions and commitments during the term of the lease:

(a) The professional basketball team shall play substantially all of its home games at the sports and entertainment arena, once it is constructed.

(b) The professional basketball team shall maintain its membership in the National Basketball Association or a successor league.

(c) The professional basketball team shall maintain its headquarters in this state.

(d) The professional basketball team shall maintain in its official team name the name of the sponsoring municipality.

(e) The professional basketball team shall not relocate to another political subdivision during the term of the lease.

(f) If the professional basketball team is sold or ownership is transferred to another person, the professional basketball team shall ensure that any person who acquires the professional basketball team, including upon foreclosure, commits to acquire the professional basketball team subject to the team's obligations under the non-relocation agreement.

(g) During the last 5 years of the original 30-year lease, and during any 5-year extension of the lease, the professional basketball team may negotiate, and enter into agreements, with 3rd parties regarding the professional basketball team playing its home games at a site different from the site to which the lease applies after the conclusion of the lease.

(b) The lease shall contain provisions concerning the transfer of the Bradley Center and the land on which it is located from the district to the professional basketball team or its affiliate and, following that transfer, subsequent demolition of the Bradley Center arena structure, consistent with s. 229.47 (2) (c). The district shall convey fee title to the professional basketball team or its affiliate free and clear of all liens, encumbrances, and obligations, except for easements or similar restrictions that do not include a monetary component. Provided that the Bradley Center arena structure is transferred as provided under this paragraph, the lease shall require the professional basketball team or its affiliate to pay for all costs related to the demolition of the Bradley Center arena structure.

(c) The professional basketball team or its affiliate shall be responsible for equipping, maintaining, operating, improving, and repairing sports and entertainment arena facilities that are constructed pursuant to a development agreement entered into under sub. In addition, the professional basketball team or its affiliate shall be entitled to receive all revenues, other than surcharges collected under s. 229.445, related to the operation or use of the sports and entertainment arena facilities, including, but not limited to, ticket revenues, licensing or user fees, sponsorship revenues, revenues generated from events that are held on the plaza that is part of the sports and entertainment arena facilities, revenues from the sale of food, beverages, merchandise, and parking, and revenues from naming rights.

(d) The lease shall allow for a separate agreement between the sponsoring municipality and the professional basketball team or its affiliate that addresses the development and construction, leasing, operation, maintenance, and repair of a parking structure constructed as part of the sports and entertainment arena facilities and the ownership of and revenues from the parking structure.

(4) (a) If the professional basketball team or its affiliate breaches the lease, the district may enforce the lease.

(b) If the professional basketball team or its affiliate breaches the non-relocation agreement, the state, the district, the sponsoring municipality, and the most populous county in which the sponsoring municipality is located may act individually or collectively to enforce the non-relocation agreement and, if they prevail, are entitled to all of the following:

1. Injunctive relief.

2. a. Liquidated damages from the parent company of the professional basketball team, the professional basketball team, or its affiliate in an amount equal to the outstanding balance of principal and accrued unpaid interest remaining on any debt issued or incurred by the district, this state, a sponsoring municipality, and the most populous county in which the sponsoring municipality is located for the development and construction of the sports and entertainment arena facilities.

b. If the professional basketball team or its affiliate, at the time of its breach of the non-relocation agreement, is also in breach of its obligations under the lease to equip, maintain, operate, and repair the sports and entertainment arena facilities, liquidated damages from the parent company of the professional basketball team, the professional basketball team, or its affiliate shall

also include an amount equal to the cost of performing these obligations during the term of the lease.

c. Liquidated damages awarded under this subdivision shall be apportioned among the district, this state, a sponsoring municipality, and the most populous county in which the sponsoring municipality is located in proportion to that entity's financial contributions towards the development and construction of the sports and entertainment arena facilities.

(5) The secretary of administration, in his or her capacity as chairperson of the board of directors, shall negotiate the development agreement, the lease, and the non-relocation agreement under this section on behalf of the district and may enter into any such development agreement, non-relocation agreement, or lease without the approval of the board of directors. Any subsequent amendments to, or renewal or extensions of, the development agreement, the non-relocation agreement, or the lease shall require the approval of the board of directors.

**229.47 Transfer agreements.** (1) A sponsoring municipality may enter into a transfer agreement with a district to provide the terms and conditions upon which the sponsoring municipality may transfer any interests in an existing exposition center and exposition center facilities created under this subchapter or an existing convention institution created under s. 229.26 to the district. The transfer agreement may include provisions for the division of revenues from taxes levied by the district under s. 66.0615 (1m) and subchs. VIII and IX of ch. 77 to fund costs incurred by the sponsoring municipality during any transition period in which the sponsoring municipality has continuing responsibility for the operation or maintenance of any exposition center, exposition center facilities or convention institution facilities. A transfer may take the form of a sale, lease or other conveyance and may be with or without financial consideration. A transfer agreement shall require the district to accept an assignment of all contracts with other persons, with respect to a transferred exposition center, exposition center facilities or convention institution facilities, that are in force at the time of transfer. If the employees who perform services for a board created under s. 229.26 (2) are included within one or more collective bargaining units under subch. IV of ch. 111 that do not include other employees of the sponsoring municipality, and a collective bargaining agreement exists between the sponsoring municipality and the representative of those employees in any such unit, the transfer agreement shall require the district to assume the functions of the employer under that collective bargaining agreement as provided in s. 229.26 (10).

(2) (a) Subject to s. 232.05 (3) (a), a district shall enter into one or more transfer agreements with the Bradley Center Sports and Entertainment Corporation regarding the transfer of the Bradley Center or any part of the center, including land that cannot be transferred under par. (b). Any such transfer shall be for nominal financial consideration.

(b) Following execution of a lease under s. 229.461 (3) and forgiveness by the professional basketball team of any outstanding debt owed to the professional basketball team by the Bradley Center Sports and Entertainment Corporation, the Bradley Center Sports and Entertainment Corporation shall transfer to the district the land described in s. 229.41 (11e) that is owned by the Bradley Center Sports and Entertainment Corporation. The transfer shall occur pursuant to transfer agreements and a parcel transfer schedule certified by the secretary of administration.

**229.477 Dissolution of a district.** Subject to providing for the payment of its bonds, including interest on the bonds, and the performance of its other contractual obligations, a district may be dissolved by the joint action of the district's board of directors and sponsoring municipality. If the district is dissolved, the property of the district that does not include sports and entertainment arena facilities shall be transferred to its sponsoring municipality. Subject to the terms of any lease under s. 229.461 (3), the property of the district that does include sports and entertainment arena facilities shall be transferred to the local units of government that compose the district's jurisdiction in such proportions as the secretary of administration determines fairly and reasonably represent the contributions of each local unit of government to the development, construction, operation, maintenance, or improvement of the property that contains sports and entertainment arena facilities. If the district was created by more than one sponsoring municipality, the municipalities shall agree on the apportioning of the district's property before the district may be dissolved.

- (f) Expenses related to the authorization, issuance and sale of the bonds.
- (g) Funding reserves authorized by the bond resolution.

(1m) For financing purposes, exposition centers and exposition center facilities and sports and entertainment arenas and sports and entertainment arena facilities are public utilities and tax revenues imposed under s. 66.0615 (1m) (a) and (b) and subchs. VIII and IX of ch. 77 are property or income of the public utility.

(2) All bonds are negotiable for all purposes, notwithstanding their payment from a limited source. A district may retain the building commission, the department of administration, or any

other person as its financial consultant to assist with and coordinate the issuance of bonds and shall use the building commission as its financial consultant for bonds secured by a special debt service reserve fund under s. 229.50.

(3) The bonds of each issue shall be payable solely out of revenues of the district specified in the bond resolution under which the bonds are issued.

(4) A district may not issue bonds unless the issuance is first authorized by a bond resolution. Bonds shall bear the dates, mature at the times not exceeding 40 years from their dates of issue, be payable at the times, be in the denominations, be in the form, carry the registration and conversion privileges, be executed in the manner, be payable in lawful money of any sovereign government at the places, and be subject to the terms of redemption, that the bond resolution provides. The bonds shall be executed by the manual or facsimile signatures of the officers of the district designated by the board of directors. The bonds may be sold at public or private sale at the price, in the manner and at the time determined by the board of directors. Pending preparation of definitive bonds, a district may issue interim receipts or certificates that shall be exchanged for the definitive bonds.

(5) A bond resolution may contain provisions, which shall be a part of the contract with the holders of the bonds that are authorized by the bond resolution, regarding any of the following:

- (a) Pledging or assigning specified assets or revenues of the district.
- (b) Setting aside reserves or sinking funds, and the regulation, investment and disposition of these funds.

- (g) Defining the acts or omissions to act that constitute a default in the duties of the district issuing the bonds to the bondholders, and providing the rights and remedies of the bondholders in the event of a default.
- (h) Other matters relating to the bonds that the board of directors considers desirable.

(6) Neither the members of the board of directors nor any person executing the bonds is liable personally on the bonds or subject to any personal liability or accountability by reason of the issuance of the bonds, unless the personal liability or accountability is the result of willful misconduct.

(7) The maximum amount of bond proceeds that a district may receive from bonds issued to fund the development and construction of sports and entertainment arena facilities is \$203,000,000. trust agreement, trust indenture, indenture of mortgage or deed of trust by and between the district and one or more corporate trustees. A bond resolution providing for the issuance of bonds so secured may mortgage, pledge, assign or grant security interests in some or all of the revenues and property of the district issuing the bonds and may contain those provisions for protecting and enforcing the rights and remedies of the bondholders that are reasonable and proper and not in violation of law. A bond resolution may contain other provisions determined by the board of directors to be reasonable and proper for the security of the bondholders.

**229.50 Special debt service reserve funds. (1) ESTABLISHMENT OF SPECIAL DEBT SERVICE RESERVE FUNDS.** A district may establish one or more special funds to secure its bonds, referred to in this subchapter as special debt service reserve funds, if, prior to each issuance of bonds to be secured by the special debt service reserve fund, the secretary of administration determines that all of the following conditions are met with respect to the bonds:

(a) *Substantial statewide public purpose.* The proceeds of the bonds, other than refunding bonds, will be used in connection with an exposition center, or an exposition center facility used primarily to support the activities of an exposition center, or a sports and entertainment arena, or sports and entertainment arena facilities, that serves a substantial statewide public purpose. An exposition center serves a substantial statewide public purpose if all of the following conditions are met:

1. Each sponsoring municipality of the district adopts a resolution that certifies that the exposition center meets all of the following conditions:

a. The exposition center includes or will include an exhibition hall of at least 100,000 square feet.

b. The exposition center is reasonably projected to support at least 2,000 full-time equivalent jobs.

c. The exposition center is reasonably projected to stimulate at least \$6,500,000,000 in total spending in the state over the 30-year period beginning on the date on which the bonds are issued.

d. The exposition center is reasonably projected to attract at least 50,000 out-of-state visitors annually.

e. The exposition center is reasonably projected to generate at least \$150,000,000 of incremental state income, franchise and sales tax revenues over the 30-year period beginning on the date on which the bonds are issued.

2. Each sponsoring municipality sends a copy of the resolution adopted under subd. 1. to the secretary of administration and the secretary of revenue.

3. Neither the secretary of administration nor the secretary of revenue determines that a resolution provided under subd. 2. does not meet the conditions under subd. 1. If a secretary makes a determination under this subdivision, the secretary shall provide written notice of his or her determination and the reasons for his or her determination to each sponsoring municipality of the district within 30 days after receiving a copy of all resolutions under subd. 2. A determination under this subdivision is not subject to review under ch. 227, but sponsoring municipalities may re-submit resolutions under subd. 1. at any time after a secretary issues a determination under this subdivision.

(b) *Feasibility.* The proceeds of bonds, other than refunding bonds, will be used for feasible projects and there is a reasonable likelihood that the bonds will be repaid without the necessity of drawing on funds in the special debt service reserve fund that secures the bonds. The secretary of administration may not make the determinations required under this paragraph unless a major-

ity of the authorized members of the district's board has voted that, if the balance in a special debt service reserve fund of the district is less than the requirement under sub. (5), the room tax imposed by the district under s. 66.0615 (1m) (b) is 3 percent of total room charges and the food and beverages tax imposed by the district under s. 77.981 is 0.5 percent of gross receipts. In addition, the secretary of administration may make the determinations required under this paragraph only after considering all of the following:

1. Whether a pledge of the gross tax revenues of the district is made under the bond resolution.

2. Whether the tax revenues of the district will be paid directly to the trustee of the bonds.

3. Revenue projections for the projects to be financed by the bonds and the reasonableness of the assumptions on which these revenue projections are based.

4. The proposed interest rates of the bonds and the resulting cash-flow requirements.

5. Whether the projected ratio of annual tax revenues to annual debt service of the district, taking into account capitalized interest, is 135 percent or greater.

6. Whether an understanding exists providing for repayment by the district to the state of all amounts appropriated to the special debt service reserve fund pursuant to sub. (7).

7. Whether the district has agreed to provide the department of administration with all financial reports of the district and all regular monthly statements of the trustee of the bonds on a direct and ongoing basis.

8. Whether the district has agreed that the department of administration will have direct and immediate access, at any time and without notice, to all records of the district.

(c) *Limit on bonds issued.* 1. The amount of all bonds, other than refunding bonds, that would be secured by all special debt service reserve funds of the district will not exceed \$200,000,000.

2. On July 5, 2019, the amount specified in subd. 1. is increased by \$100,000,000.

(d) *Use of net proceeds.* 1. Not more than \$170,000,000 of the total net proceeds of all bonds, other than refunding bonds, that would be secured by all special debt service reserve funds of the district will be used for the purposes specified under s. 229.48 (1) (a) to (c), except that no proceeds of the bonds secured by a special debt service reserve fund may be used to remodel or refurbish an existing exposition center or existing exposition center facilities transferred under a transfer agreement under s. 229.47 (1).

2. On July 5, 2019, the amount specified in subd. 1. is increased by \$127,500,000.

(e) *Date of issuance.* The bonds, other than refunding bonds, will be issued no later than December 31, 2021.

(f) *Transfer agreement.* A sponsoring municipality of the district issuing the bonds has entered into a transfer agreement under s. 229.47 (1) that transfers to the district the sponsoring municipality's interests in an existing exposition center and exposition center facilities created under this subchapter or in an existing convention institution under s. 229.26.

(g) *Refunding bonds.* All refunding bonds to be secured by the special debt service reserve fund meet all of the following conditions:

1. The refunding bonds are to be issued to fund, refund or advance refund bonds secured by a special debt service reserve fund.

2. The refunding of bonds by the refunding bonds was determined by the secretary of administration not to adversely affect

the risk that the state will be called on to make a payment under sub. (7).

**(2) PAYMENT OF FUNDS INTO A SPECIAL DEBT SERVICE RESERVE FUND.** A district shall pay into each of these special debt service reserve funds any moneys appropriated and made available by the state for the purposes of the special debt service reserve fund, any proceeds of a sale of bonds to the extent provided in the bond resolution authorizing the issuance of the bonds and any other moneys that are made available to the district for the purpose of the special debt service reserve fund from any other source.

**(3) USE OF MONEYS IN THE SPECIAL DEBT SERVICE RESERVE FUND.** All moneys held in any special debt service reserve fund of a district, except as otherwise specifically provided, shall be used, as required, solely for the payment of the principal of bonds secured in whole or in part by the special debt service reserve fund, the making of sinking fund payments with respect to these bonds, the purchase or redemption of these bonds, the payment of interest on these bonds or the payment of any redemption premium required to be paid when these bonds are redeemed prior to maturity. If moneys in a special debt service reserve fund at any time are less than the special debt service reserve fund requirement under sub. (5) for the debt service reserve fund, the district may not use these moneys for any optional purchase or optional redemption of the bonds. Any income or interest earned by, or increment to, any special debt service reserve fund due to the investment of moneys in the special debt service reserve fund may be transferred by the district to other funds or accounts of the district to the extent that the transfer does not reduce the amount of the special debt service reserve fund below the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund.

**(4) LIMITATION ON BONDS SECURED BY A SPECIAL DEBT SERVICE RESERVE FUND.** A district shall accumulate in each special debt service reserve fund an amount equal to the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund. A district may not at any time issue bonds secured in whole or in part by a special debt service reserve fund if upon the issuance of these bonds the amount in the special debt service reserve fund will be less than the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund, unless the district, at the time that it issues the bonds, deposits in the special debt service reserve fund from the proceeds of the bond issuance, or from other sources, an amount that, together with the amount then in the special debt service reserve fund, will not be less than the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund.

**(5) SPECIAL DEBT SERVICE RESERVE FUND REQUIREMENT.** The special debt service reserve fund requirement for a special debt service reserve fund, as of any particular date of computation, is equal to an amount of money, as provided in the bond resolution authorizing the bonds with respect to which the special debt service reserve fund is established, that may not exceed the maximum annual debt service on the bonds of the district for that fiscal year or any future fiscal year of the district secured in whole or in part by that special debt service reserve fund. In computing the annual debt service for any fiscal year, bonds deemed to have been paid in accordance with the defeasance provisions of the bond resolution authorizing the issuance of the bonds shall not be included in bonds outstanding on such date of computation. The annual debt service for any fiscal year is the amount of money equal to the aggregate of all of the following calculated on the assumption that the bonds will, after the date of computation, cease to be outstanding by reason, but only by rea-

son, of the payment of bonds when due, and the payment when due, and application in accordance with the bond resolution authorizing those bonds, of all of the sinking fund payments payable at or after the date of computation:

(a) All interest payable during the fiscal year on all bonds that are secured in whole or in part by the special debt service reserve fund and that are outstanding on the date of computation.

(b) The principal amount of all of the bonds that are secured in whole or in part by the special debt service reserve fund, are outstanding on the date of computation and mature during the fiscal year.

(c) All amounts specified in bond resolutions of the district authorizing any of the bonds that are secured in whole or in part by the special debt service reserve fund to be payable during the fiscal year as a sinking fund payment with respect to any of the bonds that mature after the fiscal year.

**(6) VALUATION OF SECURITIES.** In computing the amount of a special debt service reserve fund for the purposes of this section, securities in which all or a portion of the special debt service reserve fund is invested shall be valued at their fair market value.

**(7) STATE MORAL OBLIGATION PLEDGE.** If at any time the special debt service reserve fund requirement under sub. (5) for a special debt service reserve fund exceeds the amount of moneys in the special debt service reserve fund, the board of directors of the district shall certify to the secretary of administration, the governor, the joint committee on finance and the governing body of the sponsoring municipality the amount necessary to restore the special debt service reserve fund to an amount equal to the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund. If this certification is received by the secretary of administration in an even-numbered year prior to the completion of the budget compilation under s. 16.43, the secretary shall include the certified amount in the budget compilation. In any case, the joint committee on finance shall introduce in either house, in bill form, an appropriation of the amount so certified to the appropriate special debt service reserve fund of the district. Recognizing its moral obligation to do so, the legislature hereby expresses its expectation and aspiration that, if ever called upon to do so, it shall make this appropriation. This subsection does not apply to reserve fund shortfalls related to bonds or any refunding bonds issued by the district to fund the construction of sports and entertainment arena facilities.

**229.52 Bonds not public debt. (1)** The state and a sponsoring municipality are not liable on bonds and the bonds are not a debt of the state or a sponsoring municipality. All bonds shall contain a statement to this effect on the face of the bond. A bond issue does not, directly or indirectly or contingently, obligate the state or a political subdivision of the state to levy any tax or make any appropriation for payment of the bonds.

**(2)** Nothing in this subchapter authorizes a district to create a debt of the state or a sponsoring municipality, and all bonds issued by a district are payable, and shall state that they are payable, solely from the funds pledged for their payment in accordance with the bond resolution authorizing their issuance or in any trust indenture or mortgage or deed of trust executed as security for the bonds. The state and a sponsoring municipality are not liable for the payment of the principal of or interest on a bond or for the performance of any pledge, mortgage, obligation or agreement that may be undertaken by a district. The breach of any pledge, mortgage, obligation or agreement undertaken by a district does not impose pecuniary liability upon the state or a sponsoring municipality or a charge upon its general credit or against its taxing power.

(1) DESIGNATION OF SPECIAL DEBT SERVICE RESERVE FUNDS.** A district may designate one or more accounts in funds created under s. 66.0621 (4) (e) as special debt service reserve funds, if, prior to each issuance of bonds to be secured by the special debt service reserve fund, the secretary of administration determines that all of the following conditions are met with respect to the bonds:

(a) *Purpose.* The proceeds of the bonds, other than refunding bonds, will be used for baseball park facilities.

(b) *Feasibility.* The proceeds of bonds, other than refunding bonds, will be used for feasible projects and there is a reasonable likelihood that the bonds will be repaid without the necessity of drawing on funds in the special debt service reserve fund that secures the bonds. The secretary of administration may make the determinations required under this paragraph only after considering all of the following:

1. Whether a pledge of the tax revenues of the district is made under the bond resolution.
2. How the tax revenues of the district are pledged to the payment of the bonds.

2. The refunding of bonds by the refunding bonds will not adversely affect the risk that the state will be called on to make a payment under sub. (7).

(f) *Approval of outstanding debt.* All outstanding debt of the district has been reviewed and approved by the secretary of administration. In determining whether to approve outstanding debt under this paragraph, the secretary may consider any factor which the secretary determines to have a bearing on whether the state moral obligation pledge under sub. (7) should be granted with respect to an issuance of bonds.

(g) *Financial reports.* The district has agreed to provide to the department of administration, the legislative fiscal bureau and the legislative audit bureau all financial reports of the district and all regular monthly statements of any trustee of the bonds on a direct and ongoing basis.

**(2) PAYMENT OF FUNDS INTO A SPECIAL DEBT SERVICE RESERVE FUND.** A district shall pay into any special debt service reserve fund of the district any moneys appropriated and made available by the state for the purposes of the special debt service reserve fund, any proceeds of a sale of bonds to the extent provided in the bond resolution authorizing the issuance of the bonds and any other moneys that are made available to the district for the purpose of the special debt service reserve fund from any other source.

If moneys in a special debt service reserve fund at any time are less than the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund, the district may not use these moneys for any optional purchase or

optional redemption of the bonds. Any income or interest earned by, or increment to, any special debt service reserve fund due to the investment of moneys in the special debt service reserve fund may be transferred by the district to other funds or accounts of the district to the extent that the transfer does not reduce the amount of the special debt service reserve fund below the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund.

**(4) LIMITATION ON BONDS SECURED BY A SPECIAL DEBT SERVICE RESERVE FUND.** A district shall accumulate in each special debt service reserve fund an amount equal to the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund.

**(5) SPECIAL DEBT SERVICE RESERVE FUND REQUIREMENT.** The special debt service reserve fund requirement for a special debt service reserve fund, as of any particular date of computation, is equal to an amount of money, as provided in the bond resolution authorizing the bonds with respect to which the special debt service reserve fund is established, that may not exceed the maximum annual debt service on the bonds of the district for that fiscal year or any future fiscal year of the district secured in whole or in part by that special debt service reserve fund. In computing the annual debt service for any fiscal year, bonds deemed to have been paid in accordance with the defeasance provisions of the bond resolution authorizing the issuance of the bonds shall not be included in bonds outstanding on such date of computation. The annual debt service for any fiscal year is the amount of money equal to the aggregate of all of the following calculated on the assumption that the bonds will, after the date of computation, cease to be outstanding by reason, but only by reason, of the payment of bonds when due, and the payment when due, and application in accordance with the bond resolution authorizing those bonds, of all of the sinking fund payments payable at or after the date of computation:

(a) All interest payable during the fiscal year on all bonds that are secured in whole or in part by the special debt service reserve fund and that are outstanding on the date of computation.

(b) The principal amount of all of the bonds that are secured in whole or in part by the special debt service reserve fund, are outstanding on the date of computation and mature during the fiscal year.

(d) The district and a professional football team, as described in s. 229.823, enter into an agreement under which the team agrees that no engraved tiles or bricks, which may be placed in or around football stadium facilities, may be sold by the team and that engraved tiles or bricks may be sold only by the district, as provided in s. 229.824 (19).

In the succeeding year, an amount equal to not more than \$500,000 may be used to pay the district board's administration expenses. In the 2nd succeeding year, and each year thereafter, an amount equal to not more than \$100,000 may be used to pay the district board's administration expenses. (b) 1. Beginning in the 3rd year that occurs immediately after the year in which the tax is first imposed under s. 77.706, an amount equal to \$3,400,000 less the sum of the amounts specified in s. 229.8257 (2) (a) to (d) shall be used to pay the maintenance and operating costs of the football stadium facilities. (intro.), as affected by any adjustment under subd. 2., through the time specified under subd. 1. a.

2. The portion of the \$3,400,000 amount under subd. 1. that is used to pay any compensation for any employees of a municipality that provides maintenance or operating services for the football stadium facilities may be increased each year thereafter by not more than 3 percent. All other portions of this amount may be increased each year thereafter by not more than 2 percent.

(d) If the 2nd question under s. 229.824 (15) is approved by the electors, the district shall pay the remainder to the county that is in the district's jurisdiction for the purpose of directly reducing the county's property tax levy or, if the county board otherwise requires, the district shall use any portion of the remainder for the following purposes:

1. To retire bonds issued for purposes related to football stadium facilities, and any bonds issued to fund or refund those bonds, prior to their maturity.

2. To fully fund the fund established under s. 229.8257 to pay the maintenance and operating costs of the football stadium facilities specified under par. (b) 1. b. and to establish a reserve to pay the district board's administration expenses specified in par. (am), but only after all bonds issued for purposes related to football stadium facilities and all bonds issued to fund or refund those bonds are retired or have been paid in accordance with the defeasance provisions of the bond resolution authorizing the issuance of the bonds and after the district is no longer required to make the payments to a county under par. (ae).

(e) If the 2nd question under s. 229.824 (15) is not approved by the electors, the district shall use the remainder for the following purposes:

1. To retire bonds issued for purposes related to football stadium facilities, and any bonds issued to fund or refund those bonds, prior to their maturity.

(b) As soon as practicable after fully funding the reserves established under sub. (2) (d) 2. or (e) 2., whichever is applicable, and the fund established under s. 229.8257, the district board shall make a certification to the department of revenue to that effect.

(4) If the county board determines that the bonds described in sub. (3) (a) have been retired or paid as described in sub. (3) (a) and if the district board has not made the certification to the department of revenue as described in sub. (3) (a), the county board may require the district board to make that certification to the department of revenue and the district board shall immediately do so.

If the district is dissolved, the property of the district shall be transferred to the political subdivisions that compose the district's jurisdiction in such proportions as the secretary of administration determines fairly and reasonably represent the contributions of each political subdivision to the development or improvement of the football stadium facilities.

**History:** 1999 a. 167.

**229.829 Issuance and negotiability of bonds. (1) NEGOTIABILITY.** All bonds are negotiable for all purposes, notwithstanding their payment from a limited source.

(2) **EMPLOYMENT OF FINANCIAL CONSULTANT.** A district may retain the building commission or any other person as its financial consultant to assist with and coordinate the issuance of bonds.

(3) **NO PERSONAL LIABILITY.** Neither the members of the district board nor any person executing the bonds is liable personally on the bonds or subject to any personal liability or accountability by reason of the issuance of the bonds, unless the personal liability or accountability is the result of willful misconduct.

(4) **LIMIT ON BONDS.** (a) Except as provided in par. (c), the principal amount of bonds, other than refunding bonds, that are issued by a district may not exceed \$160,000,000. The limitation under this subsection does not include the principal amount of any bonds that are to be used for any of the following purposes:

The investment earnings on the construction reserve fund shall be used to pay costs of constructing football stadium facilities. The corpus of the construction reserve fund shall be applied to the final costs of completing the football stadium facilities financed with bonds if and to the extent that the legislative audit bureau upon request of the district, or the district board upon the affirmative vote of at least 5 of its members, determines that such costs were necessary to complete the football stadium facilities as contemplated in the original agreement between the district and the football team or a related party under s. 229.827. Any balance in the construction reserve fund remaining following final completion and payment for the football stadium facilities shall be applied to the early retirement of bonds.

**229.830 Special debt service reserve funds for moral obligation pledge.** (1) DESIGNATION OF SPECIAL DEBT SERVICE RESERVE FUNDS. A district may designate one or more accounts in funds created under s. 66.0621 (4) (e) as special debt service reserve funds, if, prior to each issuance of bonds to be secured by each special debt service reserve fund, the secretary of administration determines that all of the following conditions are met with respect to the bonds:

(a) *Purpose.* The proceeds of the bonds, other than refunding bonds, will be used for purposes related to football stadium facilities.

(b) *Feasibility.* The proceeds of bonds, other than refunding bonds, will be used for feasible projects and there is a reasonable likelihood that the bonds will be repaid without the necessity of drawing on funds in the special debt service reserve fund that secures the bonds. The secretary of administration may make the determinations required under this paragraph only after considering all of the following:

1. Whether a pledge of the tax revenues of the district is made under the bond resolution.
2. How the tax revenues of the district are pledged to the payment of the bonds.
3. Revenue projections for the project to be financed by the bonds, including tax revenues, and the reasonableness of the assumptions on which these revenue projections are based.
4. The proposed interest rates of the bonds and the resulting cash-flow requirements.
5. The projected ratio of annual tax revenues to annual debt service of the district, taking into account capitalized interest.
6. Whether an understanding exists providing for repayment by the district to the state of all amounts appropriated to the special debt service reserve fund pursuant to sub. (7).
7. Whether the district has agreed that the department of administration will have direct and immediate access, at any time and without notice, to all records of the district.

(c) *Limit on bonds issued backed by moral obligation pledge.* The principal amount of all bonds, other than refunding bonds, that would be secured by all special debt service reserve funds of the district will not exceed the amount of bonds, other than refunding bonds, that may be issued under s. 229.829 (4).

(d) *Date of issuance.* The bonds, other than refunding bonds, will be issued no later than December 31, 2004.

(e) *Refunding bonds.* All refunding bonds to be secured by the special debt service reserve fund meet all of the following conditions:

1. The refunding bonds are to be issued to fund, refund or advance refund bonds secured by a special debt service reserve fund.
2. The refunding of bonds by the refunding bonds will not adversely affect the risk that the state will be called on to make a payment under sub. (7).

(f) *Approval of outstanding debt.* All outstanding debt of the district has been reviewed and approved by the secretary of administration. In determining whether to approve outstanding debt under this paragraph, the secretary may consider any factor which the secretary determines to have a bearing on whether the state moral obligation pledge under sub. (7) should be granted with respect to an issuance of bonds.

(g) *Financial reports.* The district has agreed to provide to the department of administration, the legislative fiscal bureau and the legislative audit bureau all financial reports of the district and

all regular monthly statements of any trustee of the bonds on a direct and ongoing basis.

(2) PAYMENT OF FUNDS INTO A SPECIAL DEBT SERVICE RESERVE FUND. A district shall pay into any special debt service reserve fund of the district any moneys appropriated and made available by the state under sub. (7) for the purposes of the special debt service reserve fund, any proceeds of a sale of bonds to the extent provided in the bond resolution authorizing the issuance of the bonds and any other moneys that are made available to the district for the purpose of the special debt service reserve fund from any other source.

(3) USE OF MONEYS IN THE SPECIAL DEBT SERVICE RESERVE FUND. All moneys held in any special debt service reserve fund of a district, except as otherwise specifically provided, shall be used, as required, solely for the payment of the principal of bonds secured in whole or in part by the special debt service reserve fund, the making of sinking fund payments with respect to these bonds, the purchase or redemption of these bonds, the payment of interest on these bonds or the payment of any redemption premium required to be paid when these bonds are redeemed prior to maturity. If moneys in a special debt service reserve fund at any time are less than the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund, the district may not use these moneys for any optional purchase or optional redemption of the bonds. Any income or interest earned by, or increment to, any special debt service reserve fund due to the investment of moneys in the special debt service reserve fund may be transferred by the district to other funds or accounts of the district to the extent that the transfer does not reduce the amount of the special debt service reserve fund below the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund.

(4) LIMITATION ON BONDS SECURED BY A SPECIAL DEBT SERVICE RESERVE FUND. A district shall accumulate in each special debt service reserve fund an amount equal to the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund. A district may not at any time issue bonds secured in whole or in part by a special debt service reserve fund if upon the issuance of these bonds the amount in the special debt service reserve fund will be less than the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund.

(5) SPECIAL DEBT SERVICE RESERVE FUND REQUIREMENT. The special debt service reserve fund requirement for a special debt service reserve fund, as of any particular date of computation, is equal to an amount of money, as provided in the bond resolution authorizing the bonds with respect to which the special debt service reserve fund is established, that may not exceed the maximum annual debt service on the bonds of the district for the fiscal year in which the computation is made or any future fiscal year of the district secured in whole or in part by that special debt service reserve fund. In computing the annual debt service for any fiscal year, bonds deemed to have been paid in accordance with the defeasance provisions of the bond resolution authorizing the issuance of the bonds shall not be included in bonds outstanding on the date of computation. The annual debt service for any fiscal year is the amount of money equal to the aggregate of all of the following calculated on the assumption that the bonds will, after the date of computation, cease to be outstanding by reason, but only by reason, of the payment of bonds when due, and the payment when due, and application in accordance with the bond resolution authorizing those bonds, of all of the sinking fund payments payable at or after the date of computation:

- (a) All interest payable during the fiscal year on all bonds that are secured in whole or in part by the special debt service reserve fund and that are outstanding on the date of computation.

**29 Updated 23-24 Wis. Stats.****PUBLIC INSTITUTIONS****229.841**

(b) The principal amount of all of the bonds that are secured in whole or in part by the special debt service reserve fund, are outstanding on the date of computation and mature during the fiscal year.

(c) All amounts specified in bond resolutions of the district authorizing any of the bonds that are secured in whole or in part by the special debt service reserve fund to be payable during the fiscal year as a sinking fund payment with respect to any of the bonds that mature after the fiscal year.

(6) **VALUATION OF SECURITIES.** In computing the amount of a special debt service reserve fund for the purposes of this section, securities in which all or a portion of the special debt service reserve fund is invested shall be valued at par, or, if purchased at less than par, at their cost to the district.

(7) **STATE MORAL OBLIGATION PLEDGE.** If at any time of valuation the special debt service reserve fund requirement under sub. (5) for a special debt service reserve fund exceeds the amount of moneys in the special debt service reserve fund, the district board shall certify to the secretary of administration, the governor, the joint committee on finance and the governing body of the county in the district the amount necessary to restore the special debt service reserve fund to an amount equal to the special debt service reserve fund requirement under sub. (5) for the special debt service reserve fund. A bond issue does not, directly or indirectly or contingently, obligate the state or a political subdivision of the state to levy any tax or make any appropriation for payment of the bonds.

(2) Nothing in this subchapter authorizes a district to create a debt of the state or the county or any municipality located wholly or partly within the district's jurisdiction, and all bonds issued by a district are payable, and shall state that they are payable, solely from the funds pledged for their payment in accordance with the bond resolution authorizing their issuance or in any trust indenture or mortgage or deed of trust executed as security for the bonds.
