20 was received by the elector by facsimile transmission or electronic mail and is
21 accompanied by a separate certificate, the clerk shall enclose the ballot in a
22 certificate envelope and securely append the completed certificate to the outside of
23 the envelope before enclosing the ballot in the carrier envelope. The clerk shall keep

5 for that election under s. 7.525, the inspectors shall, in the same room where votes
6 are being cast, or in the place where absentee ballots begin being canvassed early
7 under s. 7.525, in such a manner that members of the public can hear and see the
8 procedures, open the carrier envelope only, and announce the name of the absent
9 elector or the identification serial number of the absent elector if the elector has a
10 confidential listing under s. 6.47 (2). When the inspectors find that the certification
11 has been properly executed, the applicant is a qualified elector of the ward or election
12 district, and the applicant has not voted in the election, they shall enter an indication
13 on the poll list next to the applicant's name indicating an absentee ballot is cast by

15 as not to deface or destroy the certification thereon. The inspectors shall take out the
16 ballot without unfolding it or permitting it to be unfolded or examined. Unless the
17 ballot is cast under s. 6.95, the inspectors shall verify that the ballot has been

23 no proof of residence is enclosed or the name or address on the document that is
24 provided is not the same as the name and address shown on the poll list, the
25 inspectors shall proceed as provided under s. 6.97 (2). The inspectors shall then
