NOTICE OF SYMPOSIA ON EARLY ACCESS TO AUTISM TREATMENT

JOINT LEGISLATIVE COUNCIL

Senator Roger Roth and Representative Robert Brooks, Co-Chairs

**Tuesday, September 8, 2020
2:00 p.m.**

The Symposia Series on Early Access to Autism Treatment will present information on the review of issues affecting early diagnosis and treatment of autism, current state Medicaid policies, and the availability of autism services throughout the state.

- An interdisciplinary team of experts from the Waisman Center at the University of Wisconsin-Madison will provide an overview of research and data relating to the prevalence of autism spectrum disorder in Wisconsin, as well as a discussion of factors affecting childhood screening and diagnosis, and the impact that early detection may have on delivery of autism-related services.

Interested parties may live stream the symposia session on YouTube at the following link:
