**Elimination of Pleasant Prairie
TID Exceptions**

2023 WISCONSIN ACT 8

2023 Wisconsin Act 8 eliminates certain exceptions to the statutes governing the establishment and operation of tax incremental districts (TID). The exceptions affected by the act relate to TID Number 2 in the Village of Pleasant Prairie, which terminated in 2022. Under prior law, establishment of TID Number 2 in the Village of Pleasant Prairie was not subject to the generally applicable “12% limit” relating to creation of the TID, nor was it subject to the generally applicable limits on modification of TID boundaries.
