**2023 Assembly Bill 189**

**Assembly Amendment 1**

### 2023 ASSEMBLY BILL 189

Under current law, physicians, authorities of various medical institutions, and other persons having knowledge of a death must report certain types of deaths, including suicide, to the sheriff, police chief, medical examiner, or coroner of the county where the death took place.

2023 Assembly Bill 189 creates a requirement to contact a medical examiner or coroner in certain circumstances to determine whether the medical examiner or coroner is required to investigate the death. Specifically, the bill requires that, if a physician, authority, or other person required to report deaths has knowledge of a death that occurred within 24 hours after an individual either has presented at or is admitted to a hospital or similar institution, whichever is earlier, that person with knowledge must contact the medical examiner or coroner to determine whether the death is reportable under the current laws requiring a medical examiner or coroner to investigate certain deaths.

### ASSEMBLY AMENDMENT 1

Assembly Amendment 1 specifies that the bill's requirements do not apply to a hospice, as defined under current law.

### BILL HISTORY

The Joint Legislative Council introduced Assembly Bill 189 on April 20, 2023. On September 28, 2023, Representative Rozar offered Assembly Amendment 1.
