2023 Assembly Bill 774

Assembly Amendments 1, 2 and 3

2023 ASSEMBLY BILL 774

2023 Assembly Bill 774 requires the Department of Corrections (DOC) to authorize an emergency transfer of an individual from a prison, jail, or other criminal detention facility to a state treatment facility or the Wisconsin Resource Center if there is cause to believe that the individual is in active psychosis and exhibits conduct which constitutes a danger of physical harm to himself or herself or to others. Specifically, the correctional custodian of the sending institution and the attending health care professional of the sending institution must jointly execute a statement of emergency detention or petition for emergency commitment for the individual and deliver it to the receiving state treatment facility or the Wisconsin Resource Center. Under the bill, a health care professional means a registered nurse, licensed practical nurse, physician, physician assistant, or psychologist.
