2023 Senate Bill 380

**Assembly
Amendment 1**

2023 SENATE BILL 380

The bill makes a number of changes to financial aid for higher education, including changes to the Wisconsin Grant program, the Talent Incentive Grant program, and the Grants to Meet Emergency Financial Need program. The bill also repeals the provisions of current law that prohibit the Higher Educational Aids Board (HEAB) and the University of Wisconsin System (UWS) from providing state financial assistance to a person required to register with the federal Selective Service system who is not so registered.

Under the current Wisconsin Grant program and the Talent Incentive Grant program, a student generally may receive a grant for up to 10 semesters. The bill increases the number of semesters a student generally may receive under these programs to 12.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 modifies the bill in regard to the number of semesters a student generally may receive a Wisconsin Grant or Talent Incentive grant to the current 10 semesters from the 12 semesters established by the bill.

BILL HISTORY

Assembly Amendment 1 was offered by Representative Murphy on November 11, 2023. Assembly Amendment 1 was adopted by the Assembly by a voice vote and Senate Bill 380 was concurred in, as amended, by the Assembly, by a vote of Ayes, 97; Noes, 0; both on November 9, 2023.
