[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

a. In the rule caption’s listing of affected provisions, the enumeration should be phrased as follows: “to amend DOC 373.04 (7), 393.04 (1), and 396.09 (1) (a)”.

b. It appears that the rule is promulgated in response to Executive Order #15, signed by Governor Evers on March 12, 2019. The department should consider citing this executive order in either the explanation of agency authority or the plain language analysis section of the rule summary.
