CLEARINGHOUSE RULE 19-133

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

a. The introductory clause should be revised to provide a more accurate enumeration of treated provisions. [See s. 1.02 (1) (a), Manual.] Specifically, s. NR 10.102 (1) (a) should be added to the list of repealed provisions, and s. NR 10.102 (1) (b) (c) should be removed from the list of amended provisions.

b. In SECTION 1, the underscored phrase “The department shall establish black bear” should follow the stricken-through word “Bear”. [See s. 1.06 (3), Manual.]

c. In SECTION 2, the created text in s. NR 10.102 (1) (Note) should not be underscored. [s. 1.055 (2), Manual.] Additionally, use of a slashed alternative in this SECTION should be avoided. [s. 1.01 (9), Manual.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In SECTION 1, the sentence resulting after the amendment could be made more grammatically correct by striking “are” after “quotas”.

b. In SECTION 2, “created” is spelled incorrectly.
