CLEARINGHOUSE RULE 21-084

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

1. Statutory Authority

The proposed rule meets the standard that is required to submit a petition under s. 227.26 (4), Stats., for expedited repeal of an unauthorized rule. For purposes of the expedited repeal process, an “unauthorized rule” is a rule for which an agency lacks the authority to promulgate the rule due to the repeal or amendment of the law that previously authorized its promulgation.

In this case, 2021 Wisconsin Act 22 amended s. 455.04 (1) (e), (3), and (4), 2019 Stats., which govern certain aspects of licensing requirements for psychologists. The proposed rule removes the associated administrative rule provisions.
