ANALYSIS

Statute interpreted:

Sections 458.24 and 458.26 (3) (b), Stats.

Statutory authority:

Sections 227.11 (2) and 458.24, Stats.

Explanation of agency authority.

The Department of Regulation and Licensing is authorized under ss. 227.11 (2) and 458.24, Stats., to promulgate rules establishing the standards for appraisal practice for licensed and certified appraisers.

Related statute or rule:

There are no related statutes or rules other than those listed above.

Plain language analysis:

In this proposed rule-making order, the Department of Regulation and Licensing proposes to amend ch. RL 87 Appendix I, which incorporates by reference the 2005 edition of the Uniform Standards of Professional Appraisal Practice (USPAP). Currently,

the 2005 edition of USPAP states that the effective date of the publication is from January 1, 2005 to December 31, 2005. The department proposes to amend the rule to state that the effective date of the publication is from January 1, 2005 to June 30, 2006. The department also proposes to incorporate by reference the 2006 edition of USPAP.

SECTION 1. The department proposes to amend Appendix I, which incorporates by reference the 2005 edition of USPAP, to change the expiration date from December 31, 2005 to June 30, 2006. The department also proposes to amend Appendix I to incorporate by reference the 2006 edition of USPAP.

As required under s. 227.11, Stats, the department has obtained the consent of the attorney general and revisor of statutes to the incorporation of the 2005 and the 2006 editions of USPAP into the rules by reference.

Summary of, and comparison with, existing or federal regulation:

The Federal Reform, Recovery, and Enforcement Act (“FIRREA”), 12 U.S.C. 3331 et seq., (Title XI) was enacted in 1989. Under FIRREA, insured financial institutions and insured credit unions are required to obtain the services of a state certified or licensed appraiser for appraisals conducted in connection with “federally related transactions.”

The Appraisal Subcommittee of the Federal Financial Institutions Examination Council is authorized under FIRREA to monitor the requirements established by states for the certification and licensing of individuals who are qualified to perform appraisals in connection with federally related transactions. *21 USC 3333; Appraisal Subcommittee – Policy Statements Regarding State Certification and Licensing of Appraisers.*

Under FIRREA, real estate appraisals performed in connection with federally related transactions are required to be performed in accordance with generally accepted appraisal standards as evidenced by the appraisal standards promulgated by the Appraisal Standards Board (ASB) of the Appraisal Foundation. *21 USC 3339; Appraisal Subcommittee – Policy Statements Regarding State Certification and Licensing of Appraisers, Statement 3.*

The appraisal standards promulgated by the ASB are contained in the Uniform Standards of Professional Appraisal Practice (USPAP). USPAP is available on the Appraisal Foundation’s website at: <http://www.appraisalfoundation.org>.

Comparison with rules in adjacent states:

Under FIRREA, all states, including Illinois, Iowa, Michigan and Minnesota, must assure that certified appraisers comply with the Uniform Standards of Professional Appraisal Practice promulgated by the Appraisal Standards Board. In Wisconsin, USPAP has been incorporated by reference in Appendix I to ch. RL 87, Code. See also, s. 458.24, Stats.

Summary of factual data and analytical methodologies:

No study resulting in the collection of factual data was used relating to this rule. The primary methodology for revising the rule is the board's analysis and determination that a rule change is necessary.

Analysis and supporting documents used to determine effect on small business or in preparation of economic impact report:

The proposed rule would change the standards for appraisal practice for licensed and certified appraisers licensed in Wisconsin. There are 1,940 licensed appraisers, 1,454 certified residential appraisers, and 1,375 certified general appraisers who are licensed in Wisconsin and would have to comply with the standards. Of the licensed appraisers in Wisconsin, a majority of them probably work in small businesses.

Under the Federal Reform, Recovery and Enforcement Act (FIRREA), all states must assure that certified appraisers comply with the Uniform Standards of Appraisal Practice that are promulgated by the Appraisal Standards Board. This will be the latest update of practice standards and will not have an effect on small business.

Section 227.137, Stats., requires an "agency" to prepare an economic impact report before submitting the proposed rule-making order to the Wisconsin Legislative Council. The Department of Regulation and Licensing is not included as an "agency" in this section.

Fiscal estimate:

The proposed rule will have no impact on the department's funds.

Anticipated costs incurred by private sector:

The department finds that this rule has no significant fiscal effect on the private sector.

Effect on small business:

These proposed rules will have no significant economic impact on small businesses, as defined in s. 227.114 (1), Stats. The Department's Regulatory Review Coordinator may be contacted by email at larry.martin@drl.state.wi.us, or by calling (608) 266-8608.
