The Wisconsin Department of Revenue proposes an order to: **create** Tax 8.63; **relating** to liquor wholesaler warehouse facilities.

---

#### *Analysis by the Department of Revenue*

**Statute interpreted:** s. 125.54 (7), Stats.

**Statutory authority:** s. 125.54 (7) (d), Stats.

**Explanation of agency authority:** Section 125.54 (7) (d), Stats., provides that the department shall promulgate rules to administer and enforce the requirements of s. 125.54 (7), Stats. It also provides that the department shall establish by rule minimum requirements for warehouse facilities on premises described in permits issued under s. 125.54, Stats., and for periodic site inspections by the department of such warehouse facilities.

**Related statute or rule:** s. 125.54 (7), Stats.

**Plain language analysis:** This proposed rule order requires that a liquor wholesaler warehouse facility described in a wholesalers' permit be a minimum of 4,000 square feet of floor space and be located in a free-standing building that is not part of or connected to a liquor retailer facility. It also requires permit-holding liquor wholesalers to retain invoices of their liquor purchases and complete a monthly inventory of their liquor stock. The invoices and inventory records must be kept at the warehouse facility described in the permit for two years, and must be open to inspection at all reasonable times by any representative of the department.

In addition to the requirements concerning liquor wholesaler warehouse facilities and liquor wholesalers, the rule requires the department to conduct a site inspection of the warehouse facility and a background investigation of the applicant before issuing a wholesalers' permit. It also requires the department to conduct periodic site inspections of warehouse facilities described in wholesalers' permits. Applications for wholesalers' permits must be processed by and site inspections of warehouse facilities must be conducted by department personnel generally familiar with activities of liquor wholesalers.

**Summary of, and comparison with, existing or proposed federal regulation:** There is no existing or proposed federal regulation that is intended to address the activities to be regulated by the rule.

**Comparison with rules in adjacent states:** The department is not aware of a similar rule in an adjacent state.

**Summary of factual data and analytical methodologies:** 2005 Wisconsin Act 25 created s. 125.54 (7), Stats., which establishes requirements for liquor wholesaler warehouse facilities and the activities of liquor wholesalers. Within the provisions of s.125.54 (7), Stats., is a requirement that the department promulgate rules to:

- Administer and enforce the requirements for liquor wholesalers and liquor wholesaler warehouse facilities.

- Ensure coordination between the department's issuance and renewal of wholesalers' permits and its enforcement of the requirements for liquor wholesalers and liquor wholesaler warehouse facilities.
- Require that all applications for issuance or renewal of wholesalers' permits be processed by department personnel generally familiar with activities of intoxicating liquor wholesalers.
- Establish minimum requirements for warehouse facilities on premises described in wholesalers' permits and for periodic site inspections by the department of such warehouse facilities.

In consultation with the liquor wholesaler industry, the department has created this proposed rule order to satisfy the above requirements.

**Analysis and supporting documents used to determine effect on small business:**

Section 125.54 (7), Stats., was created to establish minimum requirements in order to prevent liquor wholesalers who are not bona fide from operating in Wisconsin. Based on its consultation with the liquor wholesaler industry, the department understands that all of the bona fide liquor wholesalers currently operating in Wisconsin meet the requirements set forth in this proposed rule order. Based on this, the department has concluded that this proposed rule order does not have a significant effect on small business.

**Anticipated costs incurred by private sector:** This proposed rule order does not have a significant fiscal effect on the private sector.

**Effect on small business:** This proposed rule order does not have a significant effect on small business.
