

WISCONSIN ADMINISTRATIVE CODE

STATE ELECTIONS BOARD

SECTION 1. EIBd 3.04 is created to read:

ELBD 3.04 Requiring provision of certain information by election-day voter registration applicants. (1) A qualified elector registering to vote at a polling place on election day, who has been issued a current and valid Wisconsin driver's license, shall list his or her Wisconsin driver's license number on the voter registration application before the registration may be accepted or processed and before the person is allowed to vote at any election in Wisconsin. A Wisconsin driver's license that has expired, or has been suspended or revoked, is not a current and valid driver's license.

(2) If a current and valid Wisconsin driver's license has been issued to the registration applicant, but the registration applicant does not list the driver's license number on the registration application, the applicant shall be allowed to vote a provisional ballot using the procedures set forth in s. 6.97, Stats. Individuals voting provisional ballots shall be given the written information required under s.6.97(1), Stats. If the person voting a provisional ballot provides his or her driver's license number to the municipal clerk, by any means feasible, including, but not limited to: in person, email, facsimile or telephone; not later than 4:00 p.m., on the day following the day of the election, the person's ballot shall be counted.

(3) If a current and valid Wisconsin driver's license has not been issued to the applicant, the applicant shall list on the registration application either the last four digits of the applicant's social security number, or the Wisconsin department of transportation identification card number if one has been issued to the applicant. If neither a driver's license nor a social security number has been issued to the applicant, and the applicant has not been issued a Wisconsin department of transportation identification card number, the applicant shall check the appropriate box on the application before the application may be accepted or processed and the registrant is allowed to vote.
