### PROPOSED ORDER OF THE OFFICE OF THE COMMISSIONER OF INSURANCE REPEALING, REPEALING AND CREATING A RULE

To repeal s. Ins 8.10.

To repeal and recreate s. Ins 6.79; Wis. Adm. Code

Relating to advisory councils and committees.

#### ANALYSIS PREPARED BY THE OFFICE OF THE COMMISSIONER OF INSURANCE (OCI)

#### 1. Statutes interpreted:

ss. 15.04, 15.09 and 601.20, Stats.

#### 2. Statutory authority:

ss. 227.13 and 601.20, Stats.

# 3. Explanation of OCI's authority to promulgate the proposed rule under these statutes:

The OCI is specifically granted authority to create advisory councils and committees and is permitted to establish by rule the governance, duties and termination of any council or committee that are established.

#### 4. Related statutes or rules:

The topics addressed by the OCI's committees and councils are not duplicative of other state efforts.

#### 5. The plain language analysis and summary of the proposed rule:

The proposed rule implements s. 601.20, Stats., and establishes the structure, governance, duties and termination of councils or committees that the commissioner of insurance ("commissioner"), determines will be of assistance to the OCI in carrying out its duty of regulation. The proposed rule repeals s. Ins 8.10, Wis. Adm. Code, as the council on employee welfare plans no longer functions. Section Ins 6.79, Wis. Adm. Code, is repealed and recreated to more specifically define the structure of advisory councils and committees including duties, meetings, membership, officers and term of the council or committee. Although the listing of specific councils is repealed, the commissioner has continued to utilize councils and committees that focus on topics of life, health and property and casualty insurance issues. The proposed rule provides the structure to continue existing councils and committees and to establish new committees or councils with a focus and composition reflecting the subjects that are being considered by the OCI when needed.

# 6. Summary of and preliminary comparison with any existing or proposed federal regulation that is intended to address the activities to be regulated by the proposed rule:

There is no federal regulation that addresses the content of this rule.

7. Comparison of similar rules in adjacent states as found by OCI:

**Illinois:** No similar rule, although the Illinois Department of Financial and Professional Regulation is required to use advisory boards or councils for very specific topics. For example, the Illinois Department is authorized to convene an advisory committee for providing counsel and gathering clinical advice relating to mandated dental care issues. (See., 50 IL Admin Code 5425.40.) However, Illinois does not have a regulation similar to what is being proposed.

lowa: No similar rules or laws.

Michigan: No similar rules or laws

Minnesota: No similar rules or laws.

# 8. A summary of the factual data and analytical methodologies that OCI used in support of the proposed rule and how any related findings support the regulatory approach chosen for the proposed rule:

No data analyzed as this addresses the role of advisory councils and committees and not specific regulatory oversight or actions of the OCI.

## 9. Any analysis and supporting documentation that OCI used in support of OCI's determination of the rule's effect on small businesses under s. 227.114:

The proposed rule is simply to describe the structure of advisory councils or committees, not specific regulatory action so there is no effect on small businesses.

#### **10.** See the attached Private Sector Fiscal Analysis.

#### 11. A description of the Effect on Small Business:

This rule will have no effect on small businesses.
