Assumptions Used in Arriving at Fiscal Estimate

Under s. 20.255 (3) (fz), Stats., precollege scholarships are awarded to eligible pupils that attend postsecondary educational institutions offering precollege programs designed to improve pupils' academic skills necessary for success in college and technical college studies.

The rule modifies criteria and procedures for awarding scholarships under this program. The rules will have no fiscal effect on local governments or small businesses as defined in s. 227.114 (1) (a), Stats.

The costs associated with administering this grant program will be absorbed by the department.
