Rule No.: Chapter Comm 5

Relating To: Building Contractor Registration

Subject: Announcement of Public Hearing

I have attached the required materials for the announcement of a public hearing on proposed rules relating to building contractor registration as mandated by 2009 Wisconsin Act 28. We are submitting this package to you for your review and approval.

The proposed rules clarify and revise the requirements and definitions in section Comm 5.30 relating to building contractor registration. The proposal promulgates rules that expand the types of entities needing to acquire the building contractor registration and create a forfeiture system for non-compliance as mandated by Wisconsin Act 28. Also, the proposed rules combine two types of weld test conductor certifications into one.

Please review the attached material and let me know if you have any questions. If we can proceed with announcing the public hearing, please sign the required forms and letters and return this package to Norma Sampson. We will then finalize the public hearing, and prepare and distribute the required packages.
