The Rule Will Impact the Following (Check All That Apply)
State's Economy   Specific Businesses/Sectors     Local Government Units   Public Utility Rate Payers     Would Implementation and Compliance Costs Be Greater Than \$20 million?
$\Box$ Yes $\boxtimes$ No
Policy Problem Addressed by the Rule
The rule does not create or revise policy, other than to reflect a statutory change.
Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)
The rule does not create any further impact or implementation and compliance costs beyond the statutes it interprets, except that, by providing clarifications and examples, may reduce the costs that businesses and individuals would otherwise incur to comply with the statutes.
No comments concerning the economic effect of the rule were submitted in response to the department's solicitation.
Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule
Clarifications and guidance provided by administrative rules may lower the compliance costs for businesses, local governmental units, and individuals.
If the rule is not implemented, Chapter Tax 2 will be incomplete in that it will not reflect current law.
Long Range Implications of Implementing the Rule
No long-range implications are anticipated.
