IN THE MATTER OF RULE-MAKING : PROPOSED ORDER OF THE  
PROCEEDINGS BEFORE THE : WISCONSIN CEMETERY BOARD  
WISCONSIN CEMETERY BOARD : ADOPTING RULES, CHS. CB 3 - 5  
: (CLEARINGHOUSE RULE 12-021)

---

The Cemetery Board proposes an order to repeal chs. SPS 52 to 54; and to create chs. CB 3 to 5, relating to warehouses storing cemetery pre-need merchandise, changing trustees of care or pre-need trust funds, and alternative care funds investments.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

**Statutes interpreted:**

Sections 157.11 (9g), 157.19 , 440.92 (7), Stats.

**Statutory authority:**

Sections 157.19 (2) (d), 227.11 (2) (a), 440.905 (2), 440.92 (7), Stats.

**Explanation of agency authority:**

2007 Wisconsin Act 174 transferred authority for regulation of warehouses that store cemetery merchandise sold under a preneed sales contract, changes of trustees for care and preneed trust funds, and alternative care fund investments from the department of safety and professional services to the cemetery board. Thus, ch. 157 and s. 440.905, Stats., grant sole authority for implementation of the laws related to these regulatory areas to the cemetery board.

**Plain language analysis:**

These proposed rules implement the statutory changes that resulted from the passage of 2007 Wis. Act 174. The rules transfer to the cemetery board the authority to regulate: warehouses that store cemetery merchandise sold under a preneed sales contract; changes of trustees for care and preneed trust funds; and alternative care fund investments from the department. The administrative code provisions that Act 174 affected are currently located in chs. SPS 52 to 54. To reflect the transfer of authority effected by Act 174, this rule-making proposes to repeal chs. SPS 52 to 54 and replace them with newly created chs. CB 3-5.

The substance of the rules in chs. SPS 52 to 54 will not change by this proposal. These proposed rules amend those chapters only to reflect the transfer of regulatory authority and other minor information updates such as addresses referenced, etc.

Proposed ch. CB 4 adds some provisions that are closely related to those in existing ch. SPS 53. First, new s. CB 4.015 defines “financial institution,” as used in the chapter, to have the meaning set forth in s. 705.01 (3), Stats. That definition appears in s. 157.19 (1), Stats., and applies to all of s. 157.19, which is the enabling statute for the rules set forth in current ch. SPS 53 and proposed ch. CB 4. The cemetery board adds this definition to the existing rules for increased clarity regarding what constitutes a financial institution within the meaning of that chapter.

Existing rules require an affidavit from only the transferee financial institution in a change of trustee of care funds or preneed trust funds. Sections SPS 53.03 (1) (d), (2) (d). The proposed rules will require an affidavit from the transferor financial institution as well. Sections CB 4.03 (1) (dm), (2) (dm). The transferor’s affidavit must confirm that all deposits into the funds to be transferred were timely, and that there have been no withdrawals of the principal. The transferor’s affidavit will assure that the requested change of trustee is not for purposes of hiding impropriety in the transferor institution’s management of the funds. The cemetery board is authorized to impose the requirement for the transferor’s affidavit under ss. 157.19 (d) and 440.905 (2). The assurance provided from the transferor’s affidavit will significantly enhance the board’s ability to oversee change-of-trustee transactions and the department’s enforcement of the board’s rules, both of which will result in better protection of the funds involved.

Finally, given the cemetery board’s quarterly meeting schedule, a full-board determination of a change-of-trustee request within 60 days of its receipt, as required by current s. SPS 53.02 (4), may not be feasible. To facilitate timely determinations of such requests, proposed rule s. CB 4.02 (4) provides for a determination by the board’s designee if necessary.

**Summary of, and comparison with, existing or proposed federal regulation:**

There are no existing or proposed federal regulations related to the regulatory areas of the proposed rules.

**Comparison with rules in adjacent states:**

**Illinois:**

The Illinois statutes, called the Illinois Compiled Statutes (ILCS), charge the state’s Department of Financial and Professional Regulation (DFPR) with governing cemeteries pursuant to the Cemetery Oversight Act. The DFPR’s powers include the authority to promulgate rules for the administration and enforcement of that Act. Section 225 ILCS 411/5-25. Licensed cemetery authorities may accept any gift or payment for the care of the cemetery or a cemetery lot to establish a trust fund for the specified purpose. Section 225 ILCS 411/15-5 (a). The cemetery authority acts as trustee of amounts received until depositing them with a corporate fiduciary. Section 225 ILCS 411/15-5 (b). Under s. 225 ILCS 620/1-5.05, “corporate fiduciary” means a

trust company, such as a bank or other financial institution, or an individual or entity that has obtained a certificate of authority under the Corporate Fiduciary Act to exercise trust powers.

The Illinois State Comptroller regulates pre-need contract salespersons, pre-need contracts, and cemetery care or pre-need trust funds under both the Illinois Funeral or Burial Funds Act, ch. 225 ILCS 45, and the Illinois Pre-Need Cemetery Sales Act, ch. 815 ILCS 390. A salesperson may change the trustee of pre-need trust funds upon no less than 30 days' prior notice to the Comptroller. Section 225 ILCS 45/2 (g). When a seller changes trustees, the trustee must provide written notice of the change to the Comptroller at least 28 days prior to the effective date of the change. Sections 225 ILCS 45/2 (g), 815 ILCS 390/16 (b).

### **Michigan:**

In Michigan, ownership and operation of cemeteries is regulated by the Cemetery Commissioner, an officer in the Department of Licensing and Regulatory Affairs (LARA), formerly the Department of Labor and Economic Growth. Michigan Compiled Laws (MCL) 456.522, s. 2.

(k). Cemeteries are required to establish and maintain an irrevocable endowment and perpetual care trust fund with one or more financial institutions that will serve as trustee for the portion of the fund allocated to them. A cemetery may remove and replace a trustee at any time, subject to the consent of the commissioner and to the trustee agreement. MCL 456.536 s. 16 (4).

<http://legislature.mi.gov/doc.aspx?mcl-Act-251-of-1968>

LARA administers the Prepaid Funeral and Cemetery Sales Act, under which it registers sellers and providers of funeral or cemetery services or merchandise sold pursuant to prepaid contracts, and regulates such contracts. MCL 328.213 s. 3. (o), 328.215 s. 5. (d), 328.216. All funds received pursuant to prepaid contracts must be held in escrow by an escrow agent for the benefit of the contract beneficiary. MCL 328.222 s. 12. (1). The statutes specify with particularity, based on whether the contract price is guaranteed or non-guaranteed, who or what entity may serve as the escrow agent: if non-guaranteed, either the contract seller or provider, or another of the seller's or provider's choice; if either guaranteed or non-guaranteed, a depository, a trust company, a non-profit corporation or association of at least 250 funeral establishments, or a non-profit of at least 30 cemeteries; if guaranteed and includes funeral services, selected by the provider of those services; if guaranteed and no funeral services, selected by any provider that is a party to the contract. Contract sellers and providers may not serve as the escrow agent for guaranteed price contracts. MCL 328.222 s. 12. (4) (b), (5). Providers and escrow agents may change the escrow depository at any time, with or without cause, and without the approval of any other party. The contract buyer must be notified of a change of depository or escrow agent. MCL 328.224 s.14. (3).

<http://legislature.mi.gov/doc.aspx?mcl-Act-255-of-1986>

The cemetery commissioner's administrative rules are codified at R 456.101-.196, Mich. Admin. Code. These rules contain provisions related to endowed care funds, but they do not discuss changes of trustees for such funds.

The administrative rules corresponding to the Michigan Prepaid Funeral and Cemetery Sales Act are found at R 339.11-.47, Mich. Admin. Code. Although various of the rules therein reference the escrow, deposit, and investment of moneys received for cemetery merchandise, none directly address changes in escrow agents.

### **Summary of factual data and analytical methodologies:**

The comparison information with the rules in adjacent states was obtained by thorough review of their laws and rules, and from direct contact with those states by e-mail or telephone.

The transfer of authority for regulation of warehouses that store cemetery pre-need merchandise, changing trustees of care or pre-need trust funds, and alternative care funds investments was prompted by legislative action that became effective on April 9, 2008. The purpose of the proposed rules is to bring the existing rules into conformity with the enabling statutes, and thus, neither collection of factual data, nor the use of analytical methodologies were necessary.

### **Implementation of requirements for ensuring the accuracy, integrity, objectivity, and consistency of data used in rule preparation and related analysis:**

No use of factual data or analytical methodologies was required in the preparation of this proposal or its related analysis.

### **Analysis and supporting documents used to determine effect on small business or in preparation of economic impact report:**

Pursuant to s. IV, 3. a., EO # 50, the rules proposed herein were posted on both the state's and the department's administrative rules websites for 14 days to solicit comments regarding the rule's potential economic impact on businesses, business sectors, professional associations, local government units, or potentially interested parties. In addition, e-mail solicitations were sent to several potentially interested parties. No responses to any of the solicitations were received.

The department concludes that the proposed rules will have no economic impact on small businesses. This proposal tracks legislation that became effective on April 9, 2008, approximately four years ago. The statutory change has thus been in place long enough to produce the resulting economic or fiscal impact experienced by private businesses or public entities, if any, and for such impact to have been fully absorbed by those entities as a part of routine operations.

### **Fiscal estimate and Economic Impact Analysis:**

The Economic Impact Analysis, which includes the Fiscal Estimate, is attached.

### **Effect on small business:**

These proposed rules do not have an economic impact on small businesses, as defined in s. 227.114 (1), Stats. The Department's Regulatory Review Coordinator may be contacted by email at Greg.Gasper@[wisconsin.gov](mailto:Greg.Gasper@wisconsin.gov), or by calling (608) 266-8608.

Comments must be received on or before the date and time of the public hearing for inclusion in the record of rule-making proceedings. A public hearing on this proposal will be held at the department on March 13, 2012, in Rm. 121A, at 9:45 a.m.

SECTION 4. Chapter CB 5 is created to read:

## CHAPTER CB 5

### APPROVAL OF ALTERNATIVE CARE INVESTMENT FUNDS

**CB 5.02 Intent.** The intent of this chapter is to ensure that cemetery authorities that are required to register with the board maintain intact the principal amount in care funds in order to generate sufficient income to maintain cemeteries in perpetuity and to ensure that cemeteries in Wisconsin do not become a financial burden to taxpayers. It is also the intent to prohibit the officers, trustees, and the immediate family of the cemetery authority from directly profiting from the investments that are made by and on behalf of it.

**5.03 Definitions.** As used in this chapter:

(1) “Alternative investment” means the use of care funds received from the sale of cemetery lots by a cemetery authority to purchase investment instruments, rather than depositing the care funds in a financial institution under s. 157.19, Stats., or with the treasurer of the county or city in which the cemetery is located.

(2) “Care funds” has the meaning given in s. 157.061 (1m), Stats.

(3) “Board” means the cemetery board.

**5.04 Criteria.** (1) A cemetery authority shall give due consideration to both long term and short term cash flow needs in selecting alternative investments. The following classes of alternative investments are permissible:

(a) Corporate bonds or bonds or other instruments of indebtedness issued or guaranteed by governmental units in the United States, provided that the bonds or instruments of indebtedness are rated AA or above by Standard & Poor’s or by Moody’s Investors Services. Once one or more of these instruments drops below an A rating and remains below that rating for 2 consecutive quarters, the cemetery authority shall divest those instruments within 180 days or proceed under par. (e).

(b) Publicly traded preferred or common stock of regulated utilities in the United States whose debt is rated AA or above by Standards & Poor's or by Moody's Investors Services. Once the debt rating of the issuing utility drops below an A rating and remains below that rating for 2 consecutive quarters, the cemetery authority shall divest those instruments within 180 days or proceed under par. (e).

(c) Fully insured certificates of deposit issued by banks, savings and loan associations, or credit unions located in the United States which are federally insured.
