9. Policy Problem Addressed by the Rule

This rule addresses Med 1.02 (2). Currently Med. 1.02 requires applicants for medical licensure to file both documentary evidence from a medical or osteopathic school of medicine and a verified photographic copy of their diploma. Since the necessary information is readily supplied by the medical or osteopathic school, there is no need for applicants for medical licensure to provide a verified photographic copy of their diploma. This proposed rule seeks to remove the requirement to submit to the Medical Examining Board a verified photographic copy of the diploma conferring the medical or osteopathic degree.

10. Summary of the businesses, business sectors, associations representing business, local governmental units, and individuals that may be affected by the proposed rule that were contacted for comments.

This rule will primarily impact applicants for medical licensure. This proposed rule was posted on the Department of Safety and Professional Services website for 14 days in order to solicit comments from the public regarding the rule. No comments were received from the public regarding the rule.

11. Identify the local governmental units that participated in the development of this EIA.

No local governmental units participated in the development of this EIA.

12. Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)

This rule will not have an economic or fiscal impact on specific businesses, business sector, public utility rate payers, local governmental units or the state's economy as a whole.

13. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

This proposed rule will benefit applicants for medical licensure by relieving them from complying with a duplicate step in the application process.

14. Long Range Implications of Implementing the Rule

The proposed rule will advance the paperless initiative by reducing the use of paper copies.

15. Compare With Approaches Being Used by Federal Government
