April 14, 2014

PROPOSED ORDER OF THE WISCONSIN  
DEPARTMENT OF WORKFORCE DEVELOPMENT  
CREATING AND ADOPTING RULES

- 3 The Wisconsin department of workforce development proposes the following order *to create*  
4 DWD 295.25 *relating to* apprenticeship completion awards.

---

**Analysis Prepared by the Department of  
Workforce Development**

***Statutes Interpreted***

Statutes Interpreted: Ch. 106, Stats.

***Statutory Authority***

Statutory Authority: s. 106.05, Stats.

***Explanation of Statutory Authority***

The Department of Workforce Development (DWD) has responsibilities imposed by 2013 Wisconsin Act 57 (Act 57) for implementing the state's apprenticeship completion reimbursement program. DWD has specific authority to establish rules interpreting and clarifying provisions under ch. 106, Stats., relating to apprentice, employment and equal rights programs. Act 57 created s. 106.05, Stats., which provides that DWD administer an apprenticeship completion award program to partially reimburse the tuition costs paid by apprentices who have successfully completed part or all of the apprenticeship requirements, or the sponsors of those apprentices, and promulgate rules to implement the program.

***Related Statutes or Rules***

Chapter 106, Stats., governs the state's apprenticeship program. DWD rules for the apprenticeship completion award program will be incorporated into ch. DWD 295, which governs the fundamental procedures of the federal and state apprenticeship programs.

***Plain Language Analysis***

This rule will administer an apprenticeship completion award program to partially reimburse the tuition costs paid by apprentices who have successfully completed part or all of their

apprenticeship requirements, and are employed in the trade, craft or business in which the person was trained or by the sponsors of those apprentices.

This rule will do all of the following:

- Establish requirements that allow DWD to distribute tuition reimbursement completion awards to an apprentice and the sponsor of the apprentice, up to 25% of the tuition costs, but no more than \$1000.
- Allow DWD to distribute awards in two parts – the first payment may be made upon the successful completion of the first year of the apprentice's contract, but the payment may not exceed \$250. The remainder of the award may be distributed upon the final completion of all requirements under the apprentice's contract.
- Determine the reimbursement award percentage, or, in the alternative, deny applications for reimbursement that would otherwise qualify, if the amount of total reimbursement requests applied for exceeds the amount appropriated, based on the dates on which apprentices and sponsors of the apprentice become eligible for the apprenticeship completion awards.
- Identify requirements that an apprentice, or sponsor of the apprentice, seeking reimbursement under this program must meet when the apprentice is delinquent in child support or maintenance payments, or owes past support, medical expenses or birth expenses.

#### *Summary of, and comparison with, existing or proposed federal statutes and regulations*

The Code of Federal Regulation Chapter 29, Part 29, governs the U.S. Department of Labor Standards for the Registration of Apprentice Programs. There are no federal statutes or regulations equivalent to this apprenticeship completion award program.

#### *Comparison with rules in adjacent states*

Minnesota has implemented laws relating to voluntary apprentice program administration, but does not have any comparable rules or programs similar to the apprenticeship completion award program.

Illinois, Indiana, Iowa and Michigan do not have their own state apprenticeship laws and rely on federal standards.

#### *Summary of factual data and analytical methodologies*

This rule does not depend on any complex analysis of data. Act 57 authorized the department to create this rule. The department has adequate revenue to administer this program during the

current biennium under the general purpose revenue provided for fiscal years 2013-14 and 2014-15.

***Analysis and supporting document used to determine effect on small business or in preparation of an economic impact analysis***

This rule does not impose any new regulatory burdens on any business. The purpose of this rule is to reimburse eligible tuition costs to an apprentice, or sponsor of the apprentice, upon successful completion of the first year under the apprentice's contract or upon the full completion of the apprentice's contract.

***Effect on small business***

This rule does not place any requirements on small businesses but it may have a positive impact on small businesses that employ apprentices and incur tuition costs. Small businesses that incur tuition costs may be eligible for reimbursement of up to \$1,000 per apprentice.

11 does not guarantee the payment of an apprenticeship completion award.

12 (d) The apprentice has successfully completed the first year of the apprenticeship  
13 contract or has fully completed the apprenticeship contract and the apprentice is employed in the  
14 trade, occupation, or business in which the apprentice is being trained.
