16. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois: The grounds for unprofessional conduct for Illinois licensed massage therapists and bodywork therapists are governed by statute, ILL. COMP. STAT. 225/57, and not rule as in Wisconsin. The rules are similar to current Wisconsin unprofessional conduct rules in that they are comprehensive ranging from prohibitions against false advertising to inability to practice with reasonable judgment and skill.

Iowa: The Iowa Administrative Code sets forth the grounds for discipline of massage therapists in 645 IAC 134.2. The rules are similar to Wisconsin in that they cover a variety of topics; however the Iowa rules focus primarily on fraudulent behavior such as fraud in procuring a license, untruthful or improbable statements in advertising, and acceptance of any fee by fraud.

Michigan: Prohibited conduct of massage therapists as set forth in Michigan Administrative Code R 338.723, is limited to eight prohibitions. The prohibitions focus primarily on exceeding the boundaries of a professional relationship with clients such as taking on a professional role when a personal, scientific, legal, financial, or other relationship impairs the exercise of professional discretion or being involved in a dual relationship with a current or former client.

Minnesota: In Minnesota massage therapy and bodywork therapy are identified as complementary and alternative health care practices, Minn. Stat. §146A.01. Those who conduct alternative health care practices are regulated by statute, Minn. Stat. §146A.08. The statute identifies prohibited conduct covering a variety of topics including: prohibition against sexual contact with clients, adjudication as mentally incompetent and fraudulent billing practices.
