	ic Utility Rate Payers		
	Businesses (if checked, complete Attachment A)		
8. Would Implementation and Compliance Costs Be Greater Than \$20 million? □ Yes □ No			
Policy Problem Addressed by the Rule			
This proposed rule is a result of recent legislation. 2013 Wisconsin Act 345 instituted a new standard regarding			
how chiropractors are to obtain informed consent from t	their patients. Before Act 345, chiropractors were held		
to the reasonable person standard which required chiropractors to inform their patients of information necessary for a			
reasonable person to make an intelligent decision with regard to treatment. As a result of Act 345, chiropractors			
must obtain informed consent from their patients by advising them of reasonable alternate medical modes of			
treatment and the benefits and risks of those treatments in a manner consistent with the reasonable chiropractor			
standard. The reasonable chiropractor standard require	<u>₹</u>		
chiropractor would know and disclose under the circumstances. The proposed rule will incorporate this new			
standard into the current chiropractic rules.			
10. Summary of the businesses, business sectors, associations representing business, local governmental units, and individuals that may be affected by the proposed rule that were contacted for comments.			
The proposed rule was posted on the Department and Professional Services website for 14 days in order to			
solicit comments from businesses, associations representing, local governmental units and individuals that may			
be affected by the rule. No comments were received			
11. Identify the local governmental units that participated in the development of this EIA.			
No local governmental units participated in the development of this EIA.			
12. Summary of Rule's Economic and Fiscal Impact on Specific Bus Governmental Units and the State's Economy as a Whole (Incl Incurred)			
This proposed rule will not have a significant impact on specific businesses, business sectors, public utility rate			
payers, local governmental units or the state's economy as a whole.			
13. Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule			
Chiropractors will advise their patients in a manner that is consistent with current law. There is no alternative			
to implementing the proposed rule due to the changes being necessitated by passage of legislation.
