<input type="checkbox"/> State's Economy	<input checked="" type="checkbox"/> Specific Businesses/Sectors
<input type="checkbox"/> Local Government Units	<input type="checkbox"/> Public Utility Rate Payers

Would Implementation and Compliance Costs Be Greater Than \$20 million?

Yes No

Policy Problem Addressed by the Rule

Section 119.23 (11) (a), Stats., requires the DPI to promulgate rules to implement and administer the Milwaukee Parental Choice Program. The 2013-15 budget, 2013 Wisconsin Act 20, made several modifications to the Milwaukee Parental Choice Program; the program was further modified by the 2015-17 budget, 2015 Wisconsin Act 55. The rule needs to be updated to reflect statutory changes and changes in practice.

Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)

Local:

There is no economic impact on participating private schools or school districts with respect to the rule because the rule is created to align administrative code with statute.

State:

No fiscal effect.

Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

The proposed rule will make any necessary changes to PI 35 as a result of 2015 Wisconsin Act 55. The rule will be updated to reflect statutory changes and changes in practice. Without a rule, administrative code will not reflect statutes or current agency practice.

Long Range Implications of Implementing the Rule

The proposed rule will align PI 35 of the Administrative Code with the Wisconsin Statutes as modified by 2015 Wisconsin Act 55 with respect to the Milwaukee Parental Choice Program. Statute, rule, and agency practice will be consistent.
