RE: Germane Modification to Clearinghouse Rule CR 17-017

Dear Senator Lasee and Representative Jagler:

The Department of Safety and Professional Services is submitting a germane modification to CR 17-017 relating to camping units. The germane modification adds language to s. SPS 327.14 (1) specifying that, upon suspension or revocation of a camping unit building permit, the camping unit may not be occupied unless the municipality has inspected, or caused to be inspected, such camping unit and is satisfied that all requirements for approval have been met. The applicable section of CR 17-017 with the germane modification incorporated is attached for your reference.

Thank you.

Sincerely,

Dale Kleven
Administrative Rules Coordinator
Department of Safety and Professional Services
