14. Long Range Implications of Implementing the Rule

The revision streamlines and clarifies the funeral director apprenticeship process and the continuing education process thereby reducing potential confusion with the process.

15. Compare With Approaches Being Used by Federal Government

Federal regulations do not govern licensing procedures for funeral directors.

16. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois: An Internet search revealed that Illinois requires 30 semester hours of college credit plus Mortuary College or associate or bachelor's degree in mortuary science. In Illinois every funeral director must complete 24 hours of continuing education for each two year licensure period. For the 2015 and 2017 renewals, the 24 hours must include a minimum of 6 hours related to the practice of funeral directing and a minimum of 6 hours related to the practice of

ADMINISTRATIVE RULES Fiscal Estimate & Economic Impact Analysis

embalming. Beginning with the 2019 renewal, the 24 hours must include a minimum of 9 hours related to the practice of funeral directing and a minimum of 9 hours related to the practice of embalming. No more than 6 hours may consist of insurance courses.

Iowa: An Internet search revealed that Iowa requires a student to have a minimum of 60 semester hours as indicated on the transcript from a regionally accredited college or university with a minimum of 2.0 or "C" grade point and a course in mortuary science from a school accredited by the American Board of funeral Service Education. The 60 semester hours does not include any technical or vocational mortuary science courses. Iowa requires 24 hours of continuing education per two years of licensure.

Michigan: An Internet search revealed that applicants in Michigan for mortuary science licenses are required to have completed not less than 60 semester hours or 90 quarter hours. Michigan has no continuing education requirements.

Minnesota: An Internet search revealed that Minnesota requires a bachelor of science degree with a major in mortuary science received from an accredited school. Minnesota requires 12 hours of continuing education per two years of licensure.
