

## **Notice of Submittal of Proposed Rule to Legislative Council Rules Clearinghouse**

On August 30 2017, the Department of Natural Resources submitted a proposed rule to the Wisconsin Legislative Council Clearinghouse pursuant to s. 227.15 (1), Wis. Stats.

### **Analysis**

The proposed rules affect Chapter NR 151, relating to runoff management and non-point source performance standards and Concentrated Animal Feeding Operations (CAFO) rule revisions to incorporate by reference those performance standards, and affecting small business.

### **Statement of Scope**

The scope statement for this rule, SS 064-16, was approved by the Governor on July 13, 2016, published in Register No. 727 A3 on July 18, 2016, and approved by The Natural Resources Board as required by s. 227.135 (2), Stats.) on August 3, 2016.

### **Agency Procedure for Promulgation**

A public hearing is required and will be held on September 11, 2017.

The proposed rule brings an existing rule into conformity with a statute that has been changed or enacted or with a controlling judicial decision.

### **Agency Organizational Unit Primarily Responsible for Promulgating Rule**

DNR Runoff Management Program

### **Agency Contact Person**
